Drug Houses

Drug houses are a building where drug dealers and drug users buy, sell, produce, and use illegal drugs.

Start a neighborhood watch

Neighborhood watch involves citizens in effort to prevent crime in their neighborhood or community. The neighborhood is committed to safety, positive communication and relationships among neighbors. Citizens remain alert for suspicious activities and report those activities to the police.

“It can’t happen here”

Most neighborhoods have very little control over Product, Buyer, or Seller. Drug dealers look for locations where neighbors do not communicate and isolate themselves

Report all problems to the appropriate agency. Police, Fire, Health, Public Works, etc...

What to Report?
