

Bald Eagles - Beyond the Basics

With nests as big as small bedrooms and acrobatic aerial courtships, the national bird of the United States is impressive beyond their white heads and large size.

Wednesday, May 8, 10 - 11 a.m.

As an educator with a National Wildlife Refuge in Alaska and Co-Director of the Audubon Center of the North Woods, Melonie Shipman gained extensive education and experience in bald eagle behaviours and lifestyles. With a bounty of photos and personal accounts, you'll see bald eagles with new eyes.
