JOIN A PREMIER DEPARTMENT IN MN

WHAT MAKES BLOOMINGTON A DESTINATION DEPARTMENT?

A thriving community of approximately 90,000 residents and the fourth largest city in the state. Home to Mall of America and adjacent to Minneapolis-St. Paul airport, Bloomington is both an employment and hospitality hub for the region. The Bloomington Police Department has a long history of being a leader in Minnesota law enforcement and has one of the most wide-ranging and sophisticated service capabilities of any department in the state. Best described as a team that prides itself on excellence in policing. The officers on the street, the investigators, the special operations units, and the civilians in dispatching and support aspire to be on the cutting edge of public safety and service. The staff is close and long tenured. We have a well-developed sense of mission and highly value our training, skill, and professionalism.

WHAT IS A POLICE CADET:

Individuals academically pursuing a future career in law enforcement are needed to fill positions of Police Cadet. This position is identified as an apprenticeship for individuals who will provide various support services to the Police Department. Bloomington Police Cadets have the opportunity to be promoted to the position of Police Officer upon completion of their current academic program.

- This position is not designed to be long-term.
- Police Cadets must be attending a minimum of 3/4 enrollment in a post-secondary law enforcement program or college level courses in criminal justice or related field.
- Opportunity to be promoted to police officer following an application process.
