

Summer classes

Classes are Tuesdays from 6:00 p.m. - 8:00 p.m. Space is limited and sign up is required. Additional details and to sign up visit blm.mn/pd/summerclasses2024

July 9
Aug 13

Personal Protection for Seniors and Women

Personal safety and protection education helps one stay safe. This course makes use of visual aids, videos, and photos to foster discussion and facilitate audience participation.

July 16

Unmanned Aerial Vehicles/Drones for 14-21 year olds

Have you ever wondered what it's like to fly a small UAV/drone? In this course you will learn about how the BPD utilizes drones for things like search and rescue, accident reconstruction and much more. This is a hands on course where you can fly a drone.

July 23

Unconscious Bias (open to all)

Unconscious Bias can be attitudes, stereotypes, or opinions we possess and can affect our understanding, actions and decisions. Being aware of hidden biases increases our awareness of the way they can influence decision-making.

July 30

Crime Scene Investigation for 14-21 year olds

Crime Scene Investigators play a vital role in collecting evidence, assisting with identifying a suspect and successfully prosecuting the suspect. This hands on course will give you an opportunity to identify and collect fingerprints and DNA collection.
