<b>B.2</b>	<p><b>New Activities.</b></p> <p>(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?</p> <p>Y N</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Hope VI or Choice Neighborhoods.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Mixed Finance Modernization or Development.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Demolition and/or Disposition.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Conversion of Public Housing to Tenant Based Assistance.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Project Based Vouchers.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Units with Approved Vacancies for Modernization.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).</p> <p>(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.</p> <p>The HRA has a total of 39 vouchers that have been project-based in specific units in Bloomington. Of the 39, the HRA has five units designated for victims of domestic violence. Twenty of the units are HRA-owned single-family homes scattered throughout the City and six units in a tax credit property located in central Bloomington. Eight additional units of project-based vouchers are part of a 394-unit market-rate development in the South Loop redevelopment area. Completed in 2017, the placing of project-based units into this development provides affordable housing opportunities that otherwise would not exist. This change is consistent HRA will expand the supply the assisted housing by offering housing opportunities in a new construction market-rate development that exceeds the rent limits for the Section 8 Program.</p> <p>The 39 project-based vouchers represent only 7% of the 551 vouchers of our program, and are well within the 20% project-based cap set by HUD.</p>

<p><b>B.3</b></p>	<p><b>Progress Report.</b></p> <p>Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p> <p>Some examples of how the Bloomington HRA has made progress in meeting the Mission and Goals described in the its 5-Year Plan include:</p> <p><u>Expand the supply of assisted housing:</u> The HRA continues to maximize the number of families assisted by HCV program by utilizing all available HAP funding from HUD. The HRA’s HCV Program is the largest source of affordable housing in the City. However, funding from HUD does not support the full leasing of the 551 units that the HRA is authorized to lease. In 2021, the HRA was approved for 5 VASH vouchers and 10 Foster Youth to Independence (FYI) vouchers through partnership with Hennepin County. The HRA will continue to work to maximize the available HUD funding to expand the supply of this important source of assisted housing.</p> <p>The HRA approved eight additional units of project-based vouchers that will be part of a 394-unit market-rate development in the South Loop redevelopment area. Completed in 2017, the placing of project-based units into this development will provide affordable housing opportunities that otherwise would not exist. This change is consistent HRA will expand the supply the assisted housing by offering housing opportunities in a new construction market-rate development that exceeds the rent limits for the Section 8 Program.</p> <p>In 2020, the HRA has partnered with a builder of Low Income Housing Tax Credit (LIHTC) apartments to construct a 42 unit affordable housing development on property owned by the HRA. The units are affordable to families at or below 60% AMI and HCV vouchers will be accepted. The project completed lease-up in the spring of 2020.</p> <p>HRA staff have partnered with staff from the City of Bloomington to develop strategies that the City could adopt to assist in the preservation of Naturally Occurring Affordable Housing (NOAH) within Bloomington. This type of non-subsidized rental housing is an important resource for families not utilizing traditional housing programs. The age, modest amenities and other factors keep these rents below the market rents of newer building. By adopting strategies to help preserve these units, the City will help ensure they are not sold and re-positioned at a higher rent amount. So far, the City and HRA have preserved over 700 units of NOAH at or below 60% AMI.</p> <p>The City of Bloomington adopted an Opportunity Housing Ordinance in 2019 to facilitate the development and preservation of affordable housing in the City. This comprehensive ordinance includes inclusionary housing requirements and established a housing trust fund. HRA and City staff are working to implement the ordinance and presently have several projects in the early stages of development. Additional information on these efforts may be found at <a href="https://www.bloomingtonmn.gov/oh/opportunity-housing-creation-and-preservation">https://www.bloomingtonmn.gov/oh/opportunity-housing-creation-and-preservation</a>.</p> <p><u>Improve the quality of assisted housing:</u> The HRA continues to seek new ways to improve voucher program management, increase customer satisfaction and maintain all HRA-owned rental units at a high standard. In 2017, the HRA - implemented direct deposit of owner HAP checks to increase efficiencies and customer satisfaction. In 2023, the HRA implemented a new software system that incorporates an online portal, improving access and decreasing response times for landlords and tenants who participate in the program.</p> <p><u>Increase assisted housing choices:</u> The HRA has maintained maximum lease-up of the program even in an extremely tight rental market. The HRA’s staff works diligently to maintain excellent working relationships with landlords to help ensure a good inventory of units for program participants to rent through the program. These success of these actions is demonstrated by the HRA’s high success rate for new and moving participants who are seeking a new unit.</p> <p><u>Ensure equal opportunity and affirmatively further fair housing:</u> An example of the HRA’s efforts in this area is the language translation button that is now located on every page of the City’s web site, including the HRA’s where affordable housing and fair housing information is located. HRA staff found examples of how this would work and worked with the City’s web team for a successful launch and implementation.</p> <p>Also, in 2018, the HRA assisted the City in the drafting and adoption of a Fair Housing policy for the City. This policy affirms the City’s comment to non-discrimination in housing and provides a process for referrals for those who believe they have been the subject of discrimination. The policy was adopted by the City Council on August 6, 2018.</p>

## D. Affirmatively Furthering Fair Housing.

**D.1 Affirmatively Furthering Fair Housing.**

The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: “To implement goals and priorities in an AFH, strategies and actions shall be included in program participants’ ... PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing ....” Use the chart provided to specify each fair housing goal from the PHA’s AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless , the PHA will address its obligation to affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction’s initiatives to affirmatively further fair housing that require the PHA’s involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.
