Hit and Run 2 vehicle crash.

Report of hit and run crash that occurred on Xerxes Ave South at 106th street.

I arrived and spoke to the owner / driver of unit #2 and the witness at the scene.

I found from the witness that he believed Unit #1 blew through the stop sign as it was west bound on 106th to go south on to Xerxes striking unit #1. The witness saw that both vehicles pulled off and stopped. The witness said that he didn't think the driver of unit #1 was going to wait so he stood by and watched and it did drive off. He gathered the plate out of Tennessee and followed the vehicle where it eventually stopped at a business on the south east side of Normandale and Old Shakopee Road. The witness believed the driver to be a Asian or white female.

I spoke to the driver / owner of unit #2 (Rodriguez) who said that she was north bound on Xerxes when a vehicle came off of 106th street and struck her vehicle. I observed and photographed damage to the right rear of that vehicle. Rodriguez said that she had a passenger, her young child in the back which had already been picked up by her partner. Rodriguez reported no injuries to her or her toddler. Rodriguez said that the other vehicle pulled off facing south on Xerxes just south of 106th and turned on its hazards and Rodriguez pulled off just to the north of 106th. Rodriguez said that after about 1 minute, the other vehicle drove off (and the witness followed). The other driver didn't exit the vehicle and made no attempt to exchange info.

Officer Nelson, and Sager located the suspect vehicle at River Valley daycare in the lot described by the witness. The eventually made contact with an employee / vehicle driver (Sleptcova) who said she thought the other vehicle left the scene, so she did also. MN driver's license and insurance was gathered and the vehicle was rented by Sleptcova from EAN Holdings Company.

Officer Nelson and his recruit (#412) cited Sleptcova for Hit and Run.

I took photographs of Unit #1 and compared vehicle parts that had remained at the scene. It was the suspect vehicle.

2 Vehicle Crash involving a motorcycle. One cited for failing to yield the right of way.

On Saturday 6-29-2024 at about 1722 hours, Dispatch advised that there was a 2 vehicle crash at 110th Avenue West at Little Avenue South involving a motorcycle and vehicle with possible injuries.

I responded and located the crash finding the motorcycle down in the middle of the intersection and several people were with the injured person who was sitting on the curb on the north east corner of that intersection. I observed that the motorcycle driver identified as Thomas Williams (FL DL with Motorcycle endorsement) was bleeding from the right eye area and was experiencing head and back pain. Allina was requested to continue code 3. Williams was not wearing a helmet at the time of the crash.

The other involved driver identified as Thomas Mahoney (MN DL) said quickly that it was his fault, he said he didn't see the motorcycle and pulled out in front of him as he was south on Little from a stop sign trying to cross 110th street to continue south on Little. Mahoney said that there was another vehicle in front of the motorcycle which blocked his view of the motorcycle so when the other vehicle passed west bound on 110th, he thought he was clear to proceed and left the stop sign and proceeded ultimately pulling in front of the motorcycle.

Williams said that he was west bound on 110th and the vehicle pulled out in front of him from Little.

Allina provided care for Williams (Run 242433322) but he declined to be transported.

Mahoney was the owner / driver / lone occupant of MN NMU668, a 2012 Jeep Grand Cherokee. When I arrived that vehicle was parked on the Little Ave just south of 110th. I observed damage to the left side of that vehicle. There was a dent on the driver's door. (Drivable)

Williams was the driver / lone person on MN 05022MH, a 2010 Yamaha motorcycle. I observed that the motorcycle was laying on its side and had front end damage. (Private tow / Chiefs towing)

Insurance for Mahoney was Illinois Farmers - 191831704.

Insurance for Williams was State Farm - 4733227131323.

A state crash report was also completed.

Photographs were taken of the scene and uploaded to Axon.

Witness Robert William Jiracek said that he heard the and saw part of it and came to help but he couldn't describe what had occurred.

Mahoney was cited for Failing to yield the right away. Citation # 270124204166.
