On 07/16/2024 at approximately 1040 hours, I Officer Barnum was dispatched to the intersection of France Ave S. and Heritage Hills Drive for a motor vehicle accident hit and run report.

Prior to arrival, Dispatch informed me that the reporting party was no longer at the scene and was at a nearby residence. At this time, I made contact with Unit two.

Unit two informed me that they were traveling south on France Ave S. when Unit one who was traveling north on France Ave S. turned right in front of Unit 2 to go west on Heritage Hill's drive. Unit two stated they had no time to stop and the right front quarter panel of Unit two struck the right side of the back bumper of unit one. At this time, Unit two attempted to gain information from Unit one but Unit one only got the phone number of unit two due to them "being in a hurry". Unit One had moderate damage to the rear end of the vehicle that did not disable it. Unit one had no injuries. Unit two had an injury to their left knee that resulted in them getting transported by Allina.

Unit One was found at a nearby apartment complex. Unit one stated that they intended to give all the information to unit two but were in a hurry. At this time, Unit one provided us with all their information and it was given to Unit two shortly after. Unit one stated that they thought unit two was speeding and that is what caused the accident.

Neither unit one or two required a tow, unit one was the only one who was transported to the hospital.

Pictures of the damage were taken and uploaded to Axon.

### Witness Information:

Name MOHINANI, MICHAEL GOBIND	Sex M
----------------------------------	----------

On 07/17/2024 at approximately 1900 hours, I Officer Style was dispatched to a hit-and-run accident at 84th St E and Portland Ave S.

Before my arrival dispatch received a phone call from a women who advised that a witness of the accident followed the 2006 Honda Civic (unit 1) till the Civic came to a stop in front of her home at 8301 14th Ave S.

I arrived on scene at 84th St and Portland Ave S and spoke with the driver of (unit 2) in the 2012 Honda Fit.

Unit 2 vehicle is bearing Minnesota registration (CWZ140).

Unit 2 stated the following:

Unit 2 was traveling northbound on Portland Ave S at approximately 1824 hours.

As unit 2 approached the intersection of Portland Ave S and 84th St E she observed a vehicle attempting to cross Portland Ave S from 84th St.

Unit 2 could not avoid the collision with the 2006 Honda Civic (unit 1).

The 2012 Honda Fit (unit 2) was t-boned on the driver's side by unit 1.

After the accident, unit 2 pulled off to the side of the road, but the 2006 Honda Civic did not pull over and continued driving away from the scene.

The 2006 Honda Civic hit Brock's 2012 Honda Fit with enough force to rip off the entire license plate mounting bracket.

The license plate that was left on the scene by the 2006 Honda Civic was bearing Minnesota registration (KBR-555).

This concludes unit 2's statement.

At this time I went to the secondary location at 8301 14th Ave S to speak with the witness and driver of the 2006 Honda Civic.

Upon my arrival at 8301, I observed the 2006 Honda Civic with the rear license plate of KBR-555 parked.

I spoke with the witness and he stated the following:

The witness advised that he pulled behind the 2006 Honda Civic at the intersection of 84th St E and Portland Ave S.

The witness and the 2006 Honda Civic were stopped at the stop sign in the eastbound lane of 84th St E.

The witness advised that when the vehicle in front of the 2006 Honda Civic entered the intersection, the 2006 Honda Civic sat at the intersection for approximately 30 seconds, then pulled forward towards the intersection, and then entered the intersection quickly.

When the 2006 Honda Civic entered the intersection it crossed over the southbound lane of Portland Ave S, but then collided with the 2012 Honda Fit as the 2006 Honda Civic attempted to cross over the northbound lane of Portland Ave S.

The 2006 Honda Civic collided with the 2012 Honda Fit on the driver's side on the B-pillar.

After the collision, the witness observed the 2006 Honda Civic drive away from the crash scene. The witness followed the 2006 Honda Civic to 8301 14th Ave S.

The witness advised that he observed the male exit the 2006 Honda Civic and check the front bumper of the vehicle.

The male of the 2006 Honda Civic remained at 8301 until I arrived on the scene.

This concludes the witness's statement.

I spoke with the driver of unit 1 - 2006 Honda Civic with assistance from the language line and he verbally identified

himself.

Unit 1 advised that he does not have a Minnesota drivers license and does not have a drivers license out of any state in the US.

Unit 1 advised that his brother is the owner of the vehicle.

Unit 1 provided me with the vehicle's insurance information.

Photographs of unit 1 front bumper were taken on scene and uploaded to Axon Capture under this case number.

Disposition:

Due to unit 1 admitting to not having a valid drivers license, officer's inability to verify his identity, and unit 1 leaving the scene of an accident he was taken into custody and transported to Bloomington Police Department Jail to be booked and held for fingerprint verification of his identity from the Federal Bureau of Investigations (FBI).

Approximately 4 hours after unit 1 was booked into the Bloomington Police Department Jail the fingerprint verification returned from the FBI.

Unit 1 identification was confirmed and he was written a citation for Misdemeanor - driving without a valid license, and Misdemeanor - driver involved fails to stop for collision.

Unit 1 was released from custody with his citation.

No further information at this time.

The 2006 Honda Civic was towed due to being parked illegally outside the 8301 address.

Tow Sheet and Minnesota State Crash Report completed.

Photographs of both vehicles taken on scene and uploaded to Axon Capture under this case number.

End of Report.
