Witness Information:

-------------------------------	----------

On 10/17/2024 at approximately 1737 hours, I Officer Barnum was dispatched to American Blvd E. and 12th Ave S. for a motor vehicle accident.

Upon arrival, I observed that there were three vehicles involved in the accident. Vehicle one was identified as (KMH319) at this time. Vehicle two was identified as (ZBX975) and vehicle three was identified as (EKC191).

At this time, I made contact with Unit three. Unit three stated they were sitting at the red light facing south bound located at American Blvd E. and 12th Ave S. At this time, they observed vehicle one turn north bound on 12th Ave S. from American Blvd E. but they did not use the correct turn lane. Vehicle Three stated that the vehicle used the incorrect lane to turn and passed vehicles that were waiting at the flashing yellow light. Shortly after, vehicle one entered the intersection and unit two made contact with the right back corner panel of vehicle one. Vehicle two was traveling west on American Blvd E. through 12th Ave S. Vehicle three stated that they saw that vehicle two had a green light. During the impact of vehicle one and two, it made vehicle one spin 180 degrees so that the rear end of vehicle one made contact with vehicle three's front end. During this incident, vehicle one had moderate disabling damage that required a tow to the side of the vehicle and back. Vehicle two had moderate damage to the front end that required a tow. Vehicle three had minor damage to the front end of the vehicle that did not require a tow. Driver two stated the same story as vehicle three.

All three drivers denied having any medical injuries.

A witness was able to catch video footage of the incident using a dashcam on his vehicle. In the footage vehicle one can be seen turning north on 12th Ave S. from American Blvd E. using the incorrect turn lane on a yellow flashing light. Vehicle one then makes contact with vehicle two in the intersection. Due to the dashcam, the rest of the incident was not caught on camera.

Vehicle one was accused by multiple party's involved of being impaired. Vehicle one was given SFST's and was ultimately arrested for DWI. Vehicle one refused to provide a PBT and refused the breath test advisory. Driver of Vehicle one was transported to Hennepin County for DWI.

Pictures were taken by the drivers and by Officers at the scene.
