On 11/07/2024 at approximately 1824 hours, I Officer Style was working contractual overtime at Walmart at (700 American Blvd E).

A male called dispatch stating that a vehicle hit him in the parking lot and then drove away.

I met with UNIT 2 inside the front doors of Walmart and he advised me that a white sedan side swiped the front driver side wheel well of his vehicle.

UNIT 2 spoke with the driver of the white sedan briefly to swap information, but after UNIT 2 took a photograph of the suspect's Minnesota drivers license the suspect driver got back into his vehicle and drove away before swapping insurance information.

UNIT 2 provided me with the photograph of the suspect's Minnesota drivers license.

I walked to UNIT 2's vehicle and observed a scratch mark on UNIT 2's front driver side wheel well.

I took a photograph of the damage and uploaded it under this case number.

UNIT 2 was driving a 2025 Grey Honda Pilot bearing Minnesota registration (RGE857).

UNIT 2 provided me with his insurance information - State Farm / Policy Number (546-9929-D09-23).

I spoke with Walmart loss prevention employee and he showed me the video footage of the accident.

In the video it shows UNIT 2 park his vehicle in front of the Walmart main entry doors at approximately 1810 hours.

At approximately 1817 hours, UNIT 1's white sedan is observed trying to drive around the driver side of UNIT 2's parked vehicle.

It appears that UNIT 1's vehicle side swipes UNIT 2's vehicle and then continues driving through the parking lot.

UNIT 2 exits his vehicle and runs up to UNIT 1's vehicle and talks with him briefly.

Both UNIT 2 and UNIT 1 are observed on video footage walking back towards UNIT 2's vehicle and then observing the

damage.

A short time later, UNIT 1 is observed getting back into his vehicle and driving out of the Walmart parking lot.

Even though UNIT 2 did not see a license plate of UNIT 1's vehicle.

After reviewing Walmart cameras I was able to see the license plate of UNIT 1's white Honda Accord.

UNIT 1's vehicle is bearing California license number (9LGS657).

Due to being able to observe the accident on Walmart cameras and observing UNIT 1 exit his vehicle and being able match UNIT 1'S image and likeness to his Minnesota drivers license photograph I wrote UNIT 1 a citation for hit and run.

The citation number I wrote for UNIT 1 is as follows: (270124207858).

The citation was mailed to UNIT 1'S address in Lesueur.

Vehicle 1 was driving Southbound on France Ave. While between lights, approximately 100 yards (which is not lit) a pedestrian crossed in front of her vehicle. The pedestrian was wearing darker color clothing, older female, and was not using a crosswalk. She walked in the middle of the roadway in order to get to a gas station.

The pedestrian's clothing was so dark the driver in vehicle 1 did not know she had struck a person until she saw the female fall down from the impact. Driver said she was traveling at the 35-36mph speed limit. There were no indicators to show the driver was speeding nor broke any laws.

The pedestrian admitted to crossing in the middle of the roadway even though it was not a properly marked walkway. The pedestrian appeared to have some medical/mental issues that could have clouded her judgement on walking through the busy roadway.

The pedestrian was transported to the Hospital with non-life-threatening injuries. Broken ankle and leg bruising.

Driver was not at fault due to the pedestrian admitting she knew it was not a proper place to walk. She misjudged the speed and distance of vehicle #1 approaching.
