Upon arrival I saw a male laying in the middle of the road on Portland just north of American. There was a damaged red motorized scooter standing near the male. Several people and vehicles stopped near the intersection, however no one saw what happened.

Paramedics and fire were requested to the scene. A bystander, Travis Tannas, came up to me and told me that he was a paramedic. He began evaluating the patient for injuries. The patient was later identified via MN DL as, John Walker.

Walker stated that he got hit by the car when he was crossing the street. He stated that he did not remember what kind of vehicle it was and he thought that the vehicle left north on Portland. Walker had some road rash on the left side of the back and buttocks. He also complained of elbow pain. I took photographs of his injuries and uploaded them into evidence via Axon Capture.

Officers did not see the suspect vehicle or the suspect at the scene.

Shortly after paramedics arrived on scene. Walker was transported to HCMC by Allina, run #242520817.

Officers located several vehicle and scooter parts just south of where the accident took place. Officer Smith took some photographs and uploaded them into evidence. See his report for further information.

Approximately 20 minutes after the accident took place, a male came up to one of the officers on scene and told him that he caused the accident.

He was identified via MN DL as, Omar Abdi. Omar parked his vehicle in the parking lot of Walgreens and approached officers on foot. I saw the vehicle in the lot (MN: HNR860), it was a red Toyota Camry. It had damage to the driver side front bumper, quarter panel and headlight. The vehicle parts that we located on scene matched the vehicle. Photographs of the suspect vehicle were uploaded into evidence via Axon Capture.

Abdi told me that he was driving south on Portland Ave S from 494. He stated that while he was driving he thought he hit a garbage can in the middle of the road. He continued driving to his residence which was a couple blocks away from the scene. He admitted to not stopping at the scene of the accident. He stated that he was driving approximately 28-30mph.

Abdi came back to the scene of the accident approximately 20 minutes later.

Abdi was placed under arrest for GM Traffic Collision - Driver Fail to Stop - Injury or Death.

V1 was waiting in the Northbound turn lane of France ave to turn Westbound on 98th St.

V2 was Southbound France approaching 98th St.

V3 was stopped on a red light, Eastbound 98th St in the left hand turn lane to turn Northbound France.

D2 advised she was approaching the intersection on a solid green light. She said a City bus turned left on what she believed was a blinking yellow (NB France to WB 98th). She said after the bus turned, V1 turned in front of her and she was unable to stop and collided with it. V1 was pushed into V3 post collision.

D1 claimed they had a green light to turn NB France to WB 98th and V2 hit them.

D3 advised she believed SB traffic had the green light because traffic was moving thru the intersection before the crash.

No injuries reported.

D1 cited for Instruction permit violation (No licensed adult in vehicle)

Preliminary Statement

On 11/16/2024 at approximately 1938 hours, I Officer Okoi #399, was dispatched to a traffic accident at 90th St and France Avenue.

Dispatch advised it was a two-car crash with both vehicles needing tows, with one driver spitting up blood.

Observations/Actions

Upon arrival, I advised dispatch to log two plates:

Minnesota License Plate KRY448 on a 2020 Toyota RAV4. This vehicle faced Southbound on France Avenue in the Northbound lane with heavy front-end damage and side damage; airbags were also deployed. Driver 1 stated that she had a sore jaw (likely airbag related) and a laceration on her left hand. The driver was transported to Fairview Ridges for her injuries.

Minnesota License Plate JDW814 on a 2022 Toyota RAV4. This vehicle was also in the intersection facing Southbound in the Northbound lane. This vehicle had heavy passenger rear side damage. No airbags were not deployed, but the vehicle was inoperable. This vehicle had no passengers, and Driver 2 stated they were ok, and cleared by paramedics

Driver 2 Statement

Driver 2 stated she was driving southbound on France Avenue when she attempted to turn left onto 90th Street going Eastbound. Driver 2 says that as she was driving through the intersection, a car hit her on the passenger rear side, causing her vehicle to spin out.

Driver 2 had a valid driver's license and proof of insurance

Driver 1 Statement

Driver 1 stated she was driving Northbound on France Avenue when a car turned left from the southbound lane. Driver 1 tried to swerve and hit the passenger rear of the vehicle.

Driver 1 had a valid driver's license and proof of insurance

Officers Actions/Witness Statement

Officers spoke to a witness on the scene, who stated he was stopped at the light to go Westbound on 90th at France Avenue when he saw JDW-814 going Southbound on France attempting to make a left-hand turn to go Eastbound on 90th St. He thought they had a flashing yellow turn light, went to make the turn, and the accident happened.

Additional Officers took photos of both vehicles and the scene. I uploaded all photos via Axon Capture. Both vehicles were towed by Chiefs towing and all reports were completed.
