SECTION 2. FRANCHISE

2.1 **Grant of Franchise.** The City hereby authorizes Grantee to occupy or use the City’s Streets to provide Cable Service within the City subject to: 1) the provisions of this non-exclusive Franchise; and 2) all applicable provisions of the City Code. Unless this Franchise has expired pursuant to Section 2.7 herein or this Franchise is otherwise terminated pursuant to Section 11.2 herein, this Franchise shall constitute both a right and an obligation to provide Cable Services as required by the provisions of this Franchise and Applicable Law. Nothing in this Franchise shall be construed to authorize or prohibit Grantee from providing services other than Cable Services to the extent legally permissible under Applicable Law. The City hereby reserves all of its rights to regulate such other services to the extent not prohibited by Applicable Law and no provision herein shall be construed to waive, limit or give up any City right to regulate or to require separate authorization or franchise authorization granted by the City. Grantee reserves its right to challenge any exercise of the City’s legislative or regulatory authority in an appropriate forum.

2.2 **Reservation of Authority.** The Grantee specifically agrees to comply with the lawful provisions of the City Code and applicable regulations of the City. Subject to the police

power exception below, in the event of a conflict between (A) the lawful provisions of the City Code or applicable regulations of the City and (B) this Franchise, the express provisions of this Franchise shall govern. Subject to express federal and state preemption, the material terms and conditions contained in this Franchise may not be unilaterally altered by the City through subsequent amendments to the City Code, ordinances or any regulation of City, except in the lawful exercise of City's police power. Grantee acknowledges that the City may modify its regulatory policies by lawful exercise of the City's police powers throughout the term of this Franchise. Grantee agrees to comply with such lawful modifications to the City Code; however, Grantee reserves all rights it may have to challenge such modifications to the City Code whether arising in contract or at law. The City reserves all of its rights and defenses to such challenges whether arising in contract or at law. Nothing in this Franchise shall (A) abrogate the right of the City to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of promulgated by the City, or (C) be construed as a waiver or release of the rights of the City in and to the Streets.

2.3 **Franchise Term.** The term of this Franchise shall be ten (10) years from the Effective Date, unless renewed, amended, or extended by mutual written consent in accordance with Section 17.7 or terminated sooner in accordance with this Franchise.

2.4 **Franchise Area.** This Franchise is granted for the Franchise Area defined herein. Grantee shall extend its Cable System to provide Service to any residential unit in the City in accordance with Section 6.6 herein. This Franchise governs any Cable Services provided by Grantee to residential and commercial Subscribers to Grantee's Cable System.

2.5 **Franchise Nonexclusive.** The Franchise granted herein shall be nonexclusive. The City specifically reserves the right to grant, at any time, such additional franchises for a Cable System as it deems appropriate provided, however, such additional grants shall not operate to materially modify, revoke, or terminate any rights previously granted to Grantee other than as described in Section 17.19. The grant of any additional franchise shall not of itself be deemed to constitute a modification, revocation, or termination of rights previously granted to Grantee. Any additional cable franchise grants shall comply with Minn. Stat. §238.08 and any other applicable federal level playing field requirements.

2.6 **Periodic Public Review of Franchise.** Within sixty (60) Days of the third (3rd) and sixth (6th) annual anniversary of the Effective Date of this Franchise, the City may conduct a public review of the Franchise. The purpose of any such review shall be to ensure, with the benefit of full opportunity for public comment, that the Grantee continues to effectively serve the public in the light of new developments in cable law and regulation, cable technology, cable company performance with the requirements of this Franchise, local regulatory environment, community needs and interests, and other such factors. Both the City and Grantee agree to make a full and good faith effort to participate in the review. So long as Grantee receives reasonable notice, Grantee shall participate in the review process and shall fully cooperate. The review shall not operate to modify or change any provision of this Franchise without mutual written consent in accordance with Section 17.7 of this Franchise.

2.7 **Expiration.** Upon expiration of the Franchise, the City shall have the right at its own election and subject to Grantee's rights under Section 626 of the Cable Act to:

- (a) extend the Franchise, though nothing in this provision shall be construed to require such extension;
- (b) renew the Franchise, in accordance with Applicable Laws;
- (c) invite additional franchise applications or proposals;

- (d) terminate the Franchise subject to any rights Grantee has under Section 626 of the Cable Act; or
- (e) take such other action as the City deems appropriate.

2.8 Right to Require Removal of Property. At the expiration of the term for which this Franchise is granted provided no renewal is granted, or upon its forfeiture or revocation as provided for herein, the City shall have the right to require Grantee to remove at Grantee's own expense all or any part of the Cable System from all Streets and public ways within the Franchise Area within a reasonable time. If Grantee fails to do so, the City may perform the work and collect the cost thereof from Grantee. However, Grantee shall have no obligation under this Franchise to remove the Cable System 1) where it utilizes the system to provide other non-Cable Services and has any other authority under Applicable Law to maintain facilities in the Streets, or 2) where Grantee is able to find a purchaser of the Cable System, pursuant to Section 4.1 of this Franchise, who holds such authorization.

2.9 Continuity of Service Mandatory. It shall be the right of all Subscribers to receive Cable Service in accordance with the terms of this Franchise and Applicable Law. In the event that Grantee elects to overbuild, rebuild, modify, or transfer the Cable System in accordance with Section 4.1, or the City revokes or fails to renew the Franchise, Grantee shall make its best effort to ensure that all Subscribers receive continuous uninterrupted service, regardless of the circumstances, while the Franchise remains effective. In the event of expiration, purchase, lease-purchase, condemnation, acquisition, taking over or holding of plant and equipment, sale, lease, or other transfer to any other Person, including any other grantee of a cable franchise, the current Grantee shall cooperate fully to operate the Cable System in accordance with the terms and conditions of this Franchise for a temporary period sufficient in length to maintain continuity of Cable Service to all Subscribers.

SECTION 3. OPERATION IN STREETS

3.1 Use of Streets.

(a) Grantee may, subject to the terms of this Franchise, erect, install, construct, repair, replace, reconstruct and retain in, on, over, under, upon, across and along the Streets within the City such lines, cables, conductors, ducts, conduits, vaults, manholes, amplifiers, appliances, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of a Cable System within the City. Without limiting the foregoing, Grantee expressly agrees that it will construct, operate and maintain its Cable System in compliance with, and subject to, the requirements of the City Code, including by way of example and not limitation, those requirements governing the placement of Grantee's Cable System; and with other applicable City Codes, and will obtain and maintain all permits and bonds required by the City Code in addition to those required in this Franchise.

(b) All wires, conduits, cable and other property and facilities of Grantee shall be so located, constructed, installed and maintained as not to endanger or unnecessarily interfere with the usual and customary trade, traffic and travel upon, or other use of the Streets of City. Grantee shall keep and maintain all of its property in good condition, order and repair so that the same shall not menace or endanger the life or property of any Person.

(c) All wires, conduits, cables and other property and facilities of Grantee, shall be constructed and installed in an orderly and workmanlike manner in accordance with the City Code and Applicable Law. All wires, conduits and cables shall be installed, where possible, parallel with electric and telephone lines. Multiple cable configurations shall be arranged in parallel and bundled with due respect for engineering considerations.

(d) Nothing in this Franchise shall be construed to prevent the City from constructing, maintaining, repairing, or relocating sewers; grading, paving, maintaining, repairing, relocating and/or altering any Street; constructing, laying down, repairing, maintaining, or relocating any water mains; or constructing, maintaining, relocating, or repairing any sidewalk or other public work.

3.2 Construction or Alteration. Grantee shall in all cases comply with the City Code, City resolutions and City regulations regarding the acquisition of permits and/or such other items as may be reasonably required in order to construct, alter or maintain the Cable System. Grantee shall, upon request, provide information to the City regarding its progress in completing or altering the Cable System.

3.3 System Construction and Equipment Standards. The Cable System shall be installed and maintained in accordance with standard good engineering practices and shall conform, when applicable, with the National Electrical Safety Code, the National Electrical Code and the FCC's Rules and Regulations.

3.4 Quality and Workmanship. The Cable System constructed or erected by Grantee shall be of good quality and workmanship and shall be maintained in good repair and efficiency.

3.5 Non-Interference. Grantee shall exert its best efforts to construct and maintain a Cable System so as not to interfere with other use of Streets. Grantee shall, where possible in the case of above ground lines, make use of existing poles and other facilities available to Grantee. When residents receiving underground service or who will be receiving underground service will be affected by proposed construction or alteration, Grantee shall provide such notice as set forth in the permit or in City Code of the same to such affected residents.

3.6 Consistency with Designated Use. Notwithstanding the above grant to use Streets, no Street shall be used by Grantee if the City, in its sole opinion, determines that such use is inconsistent with the terms, conditions or provisions by which such Street was created or dedicated, or presently used under Applicable Laws.

3.7 Undergrounding.

(a) Grantee shall place underground all of its transmission lines which are located or are to be located above or within the Streets of the City in the following cases:

- (i) all other existing utilities are required to be placed underground by statute, resolution, policy or other Applicable Law;
- (ii) Grantee is unable to get pole clearance;
- (iii) underground easements are obtained from developers of new residential areas; or
- (iv) utilities are overhead but residents prefer underground (service provided at cost).

(b) If an ordinance is passed which involves placing underground certain utilities including Grantee's cable plant which is then located overhead, Grantee shall participate in such underground project and shall remove poles, cables and overhead wires if requested to do so and place facilities underground. Nothing herein shall mandate that City provide reimbursement to Grantee for the costs of such relocation and removal. However, if the City makes available funds for the cost of placing facilities underground, nothing herein shall preclude the Grantee from participating in such funding to the extent consistent with the City Code or Applicable Laws.

(c) Grantee shall use conduit or its functional equivalent to the greatest extent possible for undergrounding, except for Drops from pedestals to Subscribers' homes and for cable on other private property where the owner requests that conduit not be used. Cable and conduit shall be utilized which meets the highest industry standards for electronic performance and resistance to interference or damage from environmental factors. Grantee shall use, in conjunction with other utility companies or providers, common trenches for underground construction wherever available.

3.8 Maintenance and Restoration.

(a) Restoration. In case of disturbance of any Street, public way, paved area or public improvement, Grantee shall, at its own cost and expense and in accordance with the requirements of Applicable Law, restore such Street, public way, paved area or public improvement to substantially the same condition as existed before the work involving such disturbance took place. All requirements of this section pertaining to public property shall also apply to the restoration of private easements and other private property. Grantee shall perform all restoration work within a reasonable time and with due regard to seasonal working conditions. If Grantee fails, neglects or refuses to make restorations as required under this section, then the City may do such work or cause it to be done, and the cost thereof to the City shall be paid by Grantee. If Grantee causes any damage to private property in the process of restoring facilities, Grantee shall repair such damage.

(b) Maintenance. Grantee shall maintain all above ground improvements that it places on City Streets pursuant to the City Code and any permit issued by the City. In order to avoid interference with the City's ability to maintain the Street, Grantee shall provide such clearance as is required by the City Code and any permit issued by the City. If Grantee fails to comply with this provision, and by its failure, property is damaged, Grantee shall be responsible for all damages caused thereby.

(c) Disputes. In any dispute over the adequacy of restoration or maintenance relative to this section, final determination shall be the prerogative of the City, Department of Public Works and consistent with the City Code and any permit issued by the City.

3.9 Work on Private Property. Grantee, with the consent of property owners, shall have the authority, pursuant to the City Code, to trim trees upon and overhanging Streets, alleys, sidewalks, and public ways so as to prevent the branches of such trees from coming in contact with the wires and cables of Grantee, except that at the option of the City, such trimming may be done by it or under its supervision and direction at the reasonable expense of Grantee.

3.10 Protection of facilities. Nothing contained in this section shall relieve any Person from liability arising out of the failure to exercise reasonable care to avoid damaging Grantee's facilities while performing any work connected with grading, regrading or changing the line of any Street or public place or the construction or reconstruction of any sewer or water system.

3.11 Relocation.

(a) **City Property.** If, during the term of the Franchise, the City or any government entity elects or requires a third party to alter, repair, realign, abandon, improve, vacate, reroute or change the grade of any Street, public way or other public property; or to construct, maintain or repair any public improvement; or to replace, repair install, maintain, or otherwise alter any cable, wire conduit, pipe, line, pole, wire-holding structure, structure, or other facility, including a facility used for the provision of utility or other services or transportation of drainage, sewage or other liquids, for any public purpose, Grantee shall, upon request, except as otherwise hereinafter provided, at its sole expense remove or relocate as necessary its poles, wires, cables, underground conduits, vaults, pedestals, manholes and any other facilities which it has installed. Nothing herein shall mandate that City provide reimbursement to Grantee for the costs of such relocation and removal. However, if the City makes available funds for the cost of placing facilities underground, nothing herein shall preclude the Grantee from participating in such funding to the extent consistent with the City Code or Applicable Laws.

(b) **Utilities and Other Franchisees.** If, during the term of the Franchise, another entity which holds a franchise or any utility requests Grantee to remove or relocate such facilities to accommodate the construction, maintenance or repair of the requesting party's facilities, or their more efficient use, or to "make ready" the requesting party's facilities for use by others, or because Grantee is using a facility which the requesting party has a right or duty to remove, Grantee shall do so. The companies involved may decide among themselves who is to bear the cost of removal or relocation, pursuant to City Code, and provided that the City shall not be liable for such costs.

(c) **Notice to Remove or Relocate.** Any Person requesting Grantee to remove or relocate its facilities shall give Grantee no less than forty-five (45) Days' advance written notice to Grantee advising Grantee of the date or dates that removal or relocation is to be undertaken; provided, that no advance written notice shall be required in emergencies or in cases where public health and safety or property is endangered.

(d) **Failure by Grantee to Remove or Relocate.** If Grantee fails, neglects or refuses to remove or relocate its facilities as directed by the City; or in emergencies or where public health and safety or property is endangered, the City may do such work or cause it to be done, and the cost thereof to the City shall be paid by Grantee. If Grantee fails, neglects or refuses to remove or relocate its facilities as directed by another franchisee or utility, that franchisee or utility may do such work or cause it to be done, and if Grantee would have been liable for the cost of performing such work, the cost thereof to the party performing the work or having the work performed shall be paid by Grantee.

(e) **Procedure for Removal of Cable.** Grantee shall not remove any underground cable or conduit which requires trenching or other opening of the Streets along the extension of cable to be removed, except as hereinafter provided. Grantee may remove any underground cable from the Streets which has been installed in such a

manner that it can be removed without trenching or other opening of the Streets along the extension of cable to be removed. Subject to Applicable Law, Grantee shall remove, at its sole cost and expense, any underground cable or conduit by trenching or opening of the Streets along the extension thereof or otherwise which is ordered to be removed by the City based upon a determination, in the sole discretion of the City, that removal is required in order to eliminate or prevent a hazardous condition. Underground cable and conduit in the Streets which is not removed shall be deemed abandoned and title thereto shall be vested in the City.

(f) **Movement of Buildings.** Grantee shall, upon request by any Person holding a building moving permit, franchise or other approval issued by the City, temporarily remove, raise or lower its wire to permit the movement of buildings. The expense of such removal, raising or lowering shall be paid by the Person requesting same, and Grantee shall be authorized to require such payment in advance. The City shall require all building movers to provide not less than fifteen (15) Days' notice to the Grantee to arrange for such temporary wire changes.

3.12 System Maps and Layout. In addition to any generally applicable mapping requirements included in the City Code and required of other utilities, Grantee shall maintain complete and accurate system maps and records of all of its wires, conduits, cable and other property and facilities, located, constructed and maintained in the City, which shall include trunks, distribution lines, and nodes. Such maps shall include up-to-date route maps showing the location of the Cable System adjacent to the Streets. Grantee shall make all maps and records available for review by the appropriate City personnel in an electronic format mutually acceptable to the Grantee and the City. The level of detail in maps provided by Grantee shall be limited to that which is needed for the City's administration of the Streets.

SECTION 4. TRANSFER, SALE, REMOVAL OR ABANDONMENT OF SYSTEM

4.1 Transfer of Ownership.

(a) No sale, transfer, assignment or "fundamental corporate change", as defined in Minn. Stat. § 238.083, of this Franchise shall take place until the parties to the sale, transfer, or fundamental corporate change files a written request with City for its approval, provided, however, that said approval shall not be required where Grantee grants a security interest in its Franchise and assets to secure an indebtedness.

(b) City shall have thirty (30) Days from the time of the request to reply in writing and indicate approval of the request or its determination that a public hearing is necessary due to potential adverse effect on Grantee's Subscribers resulting from the sale or transfer. Such approval or determination shall be expressed in writing within thirty (30) Days of receipt of said request, or the request shall be deemed approved as a matter of law.

(c) If a public hearing is deemed necessary pursuant to (b) above, such hearing shall be commenced within thirty (30) Days of such determination and notice of any such hearing shall be given in accordance with local law or fourteen (14) Days prior to the hearing by publishing notice thereof once in a newspaper of general circulation in City. The notice shall contain the date, time and place of the hearing and shall briefly state the substance of the action to be considered by City.

(d) Within thirty (30) Days after the closing of the public hearing, City shall approve or deny in writing the sale or transfer request. City shall set forth in writing with particularity its reason(s) for denying approval. City shall not unreasonably withhold its approval.

(e) The parties to the sale or transfer of the Franchise only, without the inclusion of the System in which substantial construction has commenced, shall establish that the sale or transfer of only the Franchise will be in the public interest.

(f) Any sale or transfer of stock in Grantee so as to create a new controlling interest in the System shall be subject to the requirements of this Section 4.1. The term "controlling interest" as used herein is not limited to majority stock ownership but includes actual working control in whatever manner exercised.

(g) In no event shall a transfer or assignment of ownership or control be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations thereunder, and assuming all other rights and obligations of the transferor to the City.

(h) In the event of any proposed sale or assignment pursuant to paragraph (a) of this section, City shall have the right of first refusal of any bona fide offer to purchase the Cable System. Bona fide offer, as used in this section, means an offer received by the Grantee which it intends to accept subject to City's rights under this section. This written offer must be conveyed to City along with the Grantee's written acceptance of the offer contingent upon the rights of City provided for in this section. City shall be deemed to have waived its rights under this paragraph (h) in the following circumstances:

(i) if it does not indicate to Grantee in writing, within sixty (60) Days of notice of a proposed sale or assignment, its intention to exercise its right of purchase; or

(ii) it approves the assignment or sale of the Franchise as provided within this section.

4.2 Removal of Cable System. In the event that: (1) the use of the Cable System is discontinued for any reason for a continuous period of twelve (12) months; or (2) the Cable System has been installed in a Street without complying with the requirements of this Franchise or the City Code, Grantee, at its expense shall, at the demand of the City promptly remove from the Streets all of the Cable System other than any which the City may permit to be abandoned in place. In the event of any such removal Grantee shall promptly restore the Street to a condition as nearly as possible to its prior condition. If Grantee fails to do so, the City may perform the work and collect the cost thereof from Grantee. However, Grantee shall have no obligation under this Franchise to remove the Cable System 1) where it utilizes the system to provide other non-Cable Services and has any other authority under Applicable Law to maintain facilities in the Streets, or 2) where Grantee is able to find a purchaser of the Cable System, pursuant to Section 4.1 of this Franchise, who holds such authorization.

4.3 Abandonment of Cable System. In the event of Grantee's abandonment of the Cable System, City shall have the right to require Grantee to conform to the state right-of-way rules, Minn. Rules, Chapter 7819. The Cable System to be abandoned in place shall be abandoned in the manner prescribed by the City. Grantee may not abandon any portion of the System without having first given three (3) months written notice to the City. Grantee may not

abandon any portion of the System without compensating the City for damages resulting from the abandonment.

4.4 Removal after Abandonment or Termination. If Grantee has failed to commence removal of System, or such part thereof as was designated by City, within thirty (30) Days after written notice of City's demand for removal consistent with Minn. Rules, Ch. 7819, is given, or if Grantee has failed to complete such removal within twelve (12) months after written notice of City's demand for removal is given, City shall have the right to apply funds secured by the letter of credit and performance bond toward removal and/or declare all right, title, and interest to the Cable System for the City with all rights of ownership including, but not limited to, the right to operate the Cable System or transfer the Cable System to another for operation by it.

4.5 City Options for Failure to Remove Cable System. If Grantee has failed to complete such removal within the time given after written notice of the City's demand for removal is given, the City shall have the right to exercise one of the following options:

(a) Declare all right, title and interest to the System for the City or its designee with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it; or

(b) Declare the System abandoned and cause the System, or such part thereof as the City shall designate, to be removed at no cost to the City. The cost of said removal shall be recoverable from the security fund, indemnity and penalty section provided for in this Franchise or from Grantee directly.

(c) Upon termination of service to any Subscriber, Grantee shall promptly remove all its facilities and equipment from within the dwelling of a Subscriber who owns such dwelling upon his or her written request, except as provided by Applicable Law. Such Subscribers may be responsible for any costs incurred by Grantee in removing the facilities and equipment.

SECTION 5. SYSTEM DESIGN AND CAPACITY

5.1 Availability of Signals and Equipment.

(a) The Cable System utilizes a fiber to the fiber node architecture, with fiber optic cable deployed from Grantee's headend to Grantee's fiber nodes, tying into Grantee's coaxial Cable System serving Subscribers. The Cable System shall pass a minimum of 750 MHz (with a minimum passband of between 50 and 750 MHz) and shall be maintained to provide to Subscribers a minimum of at least two hundred (200) or more activated downstream Cable Service Channels.

(b) The entire System shall be technically capable of transmitting industry-standard digital television signals in a manner and quality consistent with all FCC regulations.

(c) Grantee agrees to maintain the Cable System in a manner consistent with, or in excess of the specifications in Section 5.1 (a) and (b) throughout the term of the Franchise with sufficient capability and technical quality to enable the implementation and performance of all requirements of this Franchise, including the exhibits hereto, and in a manner which meets or exceeds FCC technical quality standards at 47 C.F.R. § 76 Subpart K, regardless of the particular format in which a signal is transmitted.

5.2 System Specifications.

(a) System Maintenance. In all its construction and service provision activities, Grantee shall meet or exceed the construction, technical performance, extension and service requirements set forth in this Franchise and any applicable provisions of the City Code.

(b) Emergency Alert Capability. At all times during the term of this Franchise, Grantee shall provide and maintain an Emergency Alert System (EAS) consistent with Applicable Laws including 47 C.F.R., Part 11, and any Minnesota State Emergency Alert System requirements. The City may identify authorized emergency officials for activating the EAS consistent with the Minnesota State Emergency Statewide Plan (“EAS Plan”). The City may also develop a local plan containing methods of EAS message distribution, subject to Applicable Laws and the EAS Plan. Nothing in this section is intended to expand Grantee’s obligations beyond that which is required by the EAS Plan and Applicable Law.

(c) Standby Power. Grantee shall provide standby power generating capacity at the Cable System control center and at all hubs. Grantee shall maintain standby power system supplies, rated at least at two (2) hours’ duration, throughout the trunk and distribution networks. In addition, Grantee shall have in place throughout the Franchise term a plan, and all resources necessary for implementation of the plan, for dealing with outages of more than two (2) hours.

5.3 Technical Standards.

(a) Grantee shall comply, at a minimum, with the technical standards promulgated by the FCC relating to Cable Systems pursuant to Title 47, Section 76, Subpart K of the Code of Federal Regulations, as may be amended or modified from time to time, which regulations are expressly incorporated herein by reference.

(b) Grantee shall install and maintain its Cable System in accordance with the applicable requirements of the National Electrical Safety Code, and in such manner that the Cable System shall not interfere with any installations of the City or any public utility or institutional utility, or any franchisee, licensee or permittee of the City.

(c) Grantee shall provide and put in use such equipment and appliances as shall control on a closed circuit basis and effectually carry all electric currents and Grantee television and other system signal impulses in a manner so as to prevent injury to the wires, pipes, structures, and property belonging to the City or to any Person within the City.

5.4 **System Upgrades.** The Cable System will be upgraded consistent with future System upgrades performed in Grantee’s other Twin Cities Region Cable Systems, when any other of Grantee’s Cable Systems in Hennepin County also receives a System upgrade, understanding that work on the Cable System is done based on Grantee’s construction schedules.

5.5 **Performance Testing.** Grantee shall perform all system tests at the intervals required by the FCC, and all other tests reasonably necessary to determine compliance with technical standards required by this Franchise. These tests shall include, at a minimum:

(a) Initial proof of performance for any construction;

- (b) Tests in response to Subscriber complaints;
- (c) Tests requested by the City to demonstrate franchise compliance; and
- (d) Written records of all system test results performed by or for Grantee shall be maintained and shall be available for City inspection upon request.

5.6 **Special Testing.**

(a) Throughout the term of this Franchise, City shall have the right to inspect all construction or installation work performed pursuant to the provisions of the Franchise. In addition, City may require special testing of a location or locations within the System if there is a particular matter of controversy or unresolved complaints regarding such construction or installation work or pertaining to such location(s). Demand for such special tests may be made on the basis of complaints received or other evidence indicating an unresolved controversy or noncompliance. Such tests shall be limited to the particular matter in controversy or unresolved complaints. City shall endeavor to so arrange its request for such special testing so as to minimize hardship or inconvenience to Grantee or to the Subscribers caused by such testing.

(b) Before ordering such tests, Grantee shall be afforded thirty (30) Days following receipt of written notice to investigate and, if necessary, correct problems or complaints upon which tests were ordered. City shall meet with Grantee prior to requiring special tests to discuss the need for such and, if possible, visually inspect those locations which are the focus of concern. If, after such meetings and inspections, City wishes to commence special tests and the thirty (30) Days have elapsed without correction of the matter in controversy or unresolved complaints, the tests shall be conducted at Grantee's expense by Grantee's qualified engineer. The City shall have a right to participate in such testing by having an engineer of City's choosing, and at City's expense, observe and monitor said testing.

5.7 **FCC Reports.** The results of any tests required to be filed by Grantee with the FCC shall also be copied to City within ten (10) Days of the conduct of the date of the tests.

SECTION 6. PROGRAMMING AND SERVICES

6.1 **Categories of Programming Service.** Grantee shall provide Video Programming services in at least the following broad categories:

- Local Broadcast (subject to federal carriage requirements)
- Public Broadcast
- News and Information
- Sports
- General Entertainment
- Arts/Performance/Humanities
- Science/Technology
- Children/Family/Seniors
- Foreign Language/Ethnic Programming
- PEG Access Programming (to the extent required by the Franchise)
- Movies

Leased Access

6.2 **Changes in Programming Services.** As required by Applicable Law, Grantee shall provide at least thirty (30) Days' prior written notice to Subscribers and to the City of Grantee's request to effectively delete any broad category of programming or any Channel within its control, including all proposed changes in bandwidth or Channel allocation and any assignments including any new equipment requirements that may occur as a result of these changes.

6.3 **Parental Control Device.** Upon request by any Subscriber, Grantee shall make available for sale or lease a parental control or lockout device that will enable the Subscriber to block all access to any and all Channels without affecting those not blocked. Grantee shall inform Subscribers of the availability of the lockout device at the time of original subscription and annually thereafter.

6.4 **Equal and Uniform Service.** To the extent required by Applicable Law, Grantee shall provide access to equal and uniform Cable Service throughout the City.

6.5 **Annexation.** Unless otherwise provided by Applicable Law, including the City Code, upon the annexation of any additional land area by City, the annexed area shall thereafter be subject to all the terms of this Franchise upon sixty (60) Days written notification to Grantee of the annexation by City. Unless otherwise required by Applicable Laws, nothing herein shall require the Grantee to expand its Cable System to serve, or to offer Cable Service to any area annexed by the City if such area is then served by another Wireline MVPD franchised to provide multichannel video programming.

6.6 **Line Extension.** Grantee shall construct and operate its Cable System so as to pass all occupied residential dwelling units within the Franchise Area and make available Cable Service to all occupied residential dwelling units within the Franchise Area.

6.7 **Nonvoice Return Capability.** Grantee is required to use cable and associated electronics having the technical capacity for nonvoice return communications.

6.8 **Free Cable Service to Public Buildings.**

(a) The parties acknowledge that as of the Effective Date of this Franchise, Grantee continues to provide, free of charge, one (1) service Drop, up to three (3) Converters, if necessary and requested, and Basic Cable Service and the next highest penetrated level of Cable Service generally available to all Subscribers within the Franchise Area to the sites set forth in Exhibit A ("Complimentary Service"). Grantee shall continue to provide the Complimentary Service during the term of this Franchise. In the event Grantee elects, to the extent permitted by Applicable Law, to invoice the City for the marginal cost of the Complimentary Services, the Grantee agrees that it will do so only after providing City with one hundred twenty (120) Days' prior written notice.

(b) The City shall have right to discontinue receipt of all or a portion of the Complimentary Service provided by Grantee in the event Grantee elects to impose a charge to the City for the Complimentary Service as set forth in the preceding paragraph. Within ninety (90) days of receiving the aforementioned notice, the City will notify the Grantee whether, with respect to each identified Complimentary Service location, the Grantee is relieved, or temporarily relieved, of its obligations or is required to comply, subject either to the Grantee taking an offset to the Franchise Fee payments payable under Section 16.1 as may be permitted by the Section 621 Order or to the Grantee and the City agreeing to a separately negotiated charge payable by the City to the Grantee.

(c) Additional Subscriber network Drops and/or outlets will be installed at designated institutions by Grantee at the cost of Grantee's time and material, or such other price as may be required to comply with Applicable Law. Alternatively, said institution may add outlets at its own expense as long as such installation meets Grantee's standards. Grantee will complete construction of the additional Drop and outlet within three (3) months from the date of City's designation of additional institution(s) unless weather or other conditions beyond the control of Grantee requires more time. The City may substitute locations listed on Exhibit A attached hereto as long as the number of locations to receive Complimentary Service remains the same as Exhibit A.

(d) The City or the building occupant shall have the right to extend Cable Service throughout the building to additional outlets without any fees imposed by Grantee for the provision of Complimentary Service to such additional outlets. If ancillary equipment, such as a Converter, is required to receive the signal at additional outlets, Grantee will provide up to three (3) devices at no charge and will provide additional devices at Grantee's lowest residential rate charged within the Twin Cities Region.

(e) Notwithstanding anything to the contrary set forth in this section, Grantee shall not be required to provide Complimentary Service to such buildings unless it is technically feasible. Outlets and maintenance of said Complimentary Service shall be provided free of fees and charges.

SECTION 7. PUBLIC, EDUCATION AND GOVERNMENT ("PEG") ACCESS

7.1 PEG Access Channel Capacity.

(a) Grantee shall continue to provide four (4) PEG Access Channels in addition to Channels required by the State of Minnesota, such as Regional Channel Six (*See* Minnesota Statutes Section 238.43), throughout the term of this Franchise and any extensions of the Franchise term.

(b) Grantee shall provide the PEG Access Channels on the Basic Cable Service tier, or such other most subscribed tier of Cable Service (within the Franchise Area) as may be offered by Grantee.

(c) For purposes of this Franchise, a high definition ("HD") format or signal refers to a PEG signal delivered by Grantee to Subscribers in a resolution that is either:

(i) the same as received by Grantee from City or the entity from which Grantee received the PEG signal, or

(ii) the highest resolution used by the Grantee for the delivery of the primary signals of local broadcast stations over the Cable System, if lower than the level described in subparagraph (c)(i) above.

7.2 HD PEG Carriage Requirements.

(a) Within ninety (90) days of the Effective Date of this Franchise, Grantee shall provide all four (4) PEG Access Channels in HD format and shall also simulcast all four (4) PEG Access Channels in standard definition ("SD") until SD is no longer offered by Grantee. The parties agree that PEG funding may be used to support streaming of

PEG programming, provided the City does not permit PEG funding to be used for operational expenses except as may be permitted by Applicable Law.

(b) The City acknowledges that receipt of an HD format PEG Access Channel may require Subscribers to buy or lease special equipment or pay additional HD charges applicable to all HD services.

(c) Grantee agrees that it shall be responsible for costs associated with the provision of encoders or other equipment necessary to receive HD/SD signals at the Grantees' headend, and to convert PEG HD signals to SD consistent with the historic practice between the parties related to the government PEG Access Channel.

7.3 Control of PEG Access Channels. The control and administration of the PEG Access Channels shall rest with the City and the City may delegate, from time to time over the term of this Franchise, such control and administration to various entities as determined in City's sole discretion.

7.4 Transmission of PEG Access Channels. PEG Access Channels may be used for transmission of non-video signals in compliance with Applicable Laws. This may include downstream transmission of data using a protocol such as TCP/IP or current industry standards. Should Grantee develop the capability to provide bi-directional data transmission, spectrum capacity shall be sufficient to allow Subscribers to transmit data to PEG facilities.

7.5 PEG Access Channel Locations.

(a) PEG Access Channels shall be carried on the Basic Cable Service tier as set forth in Section 7.2 herein. Nothing herein precludes the Grantee from charging for equipment needed for Basic Cable Service. Grantee shall make every reasonable effort to coordinate the cablecasting of PEG access programming on the Cable System on the same Channel designations as such programming is currently cablecast within the City. In no event shall any Access Channel reallocations be made prior to ninety (90) Days written notice to the City by Grantee, except for circumstances beyond Grantee's reasonable control. The PEG Access Channels will be located within reasonable proximity to other commercial video or broadcast Channels, excluding pay-per-view programming offered by Grantee in the City.

(b) Grantee agrees not to encrypt the PEG Access Channels differently than other commercial Channels available on the Cable System.

(c) In conjunction with any occurrence of any PEG Access Channel(s) relocation, Grantee shall provide a minimum of Three Thousand Five Hundred Dollars (\$3,500) of reimbursement for costs incurred by City to promote the new Channel locations.

7.6 Navigation to PEG Access Channels. Grantee agrees that if it utilizes any navigation interfaces, the PEG Access Channels shall be treated in a non-discriminatory fashion consistent with Applicable Laws so that Subscribers will have ready access to PEG Access Channels. Grantee will maintain the existing ability of the City to place PEG Access Channel programming information on the interactive Channel guide via the electronic programming guide ("EPG") vendor ("EPG provider") that Grantee utilizes to provide the guide service. PEG programming provided by the City shall appear on the EPG for each Channel carried in the City. Grantee will be responsible for providing the designations and instructions necessary for the PEG Access Channels to appear on the EPG. Each programming stream will not be individually

listed for narrowcast Channels unless technically feasible. All costs and operational requirements of the EPG provider shall be the responsibility of the City. City acknowledges that the EPG may not be technically possible for all PEG programming, and that Grantee is not responsible for operations of the EPG provider.

7.7 Ownership of PEG Access Channels. Grantee does not relinquish its ownership of or ultimate right of control over a Channel by designating it for PEG use. A PEG access user – whether an individual, education, or government user – acquires no property or other interest by virtue of the use of a Channel position so designated. Grantee shall not exercise editorial control over any public, education, or government use of a Channel position, except Grantee may refuse to transmit any public access program or portion of a public access program that contains obscenity, indecency, or nudity in violation of Applicable Law.

7.8 Noncommercial Use of PEG. Permitted noncommercial uses of the PEG Access Channels shall include by way of example and not limitation: (1) the identification of financial supporters similar to what is provided on public broadcasting stations; or (2) the solicitation of financial support for the provision of PEG programming by the City or third party users for charitable, education or government purposes; or (3) programming offered by accredited, non-profit, educational institutions which may, for example, offer telecourses over a Access Channel.

7.9 PEG Transport.

(a) Grantee will maintain all existing fiber paths in place as of the Effective Date to facilitate PEG origination/return capacity in the City. Such fiber return paths are listed below and will be provided without additional charge, with no recurring monthly costs or offsets, except that Grantee may invoice the City for any maintenance costs consistent with Applicable Law and the Section 621 Order:

- (i) Grantee’s splice point at 90th and Blaisdell connecting to City-owned fiber to City Hall; and
- (ii) Valley View Middle School, 8900 Portland Avenue South.

(b) Grantee shall not be responsible for fiber “replacement” but will handle any damage and all maintenance on the existing fiber. Grantee anticipates, but cannot guarantee, that that this will result in minimal fiber expenditures by the City over the Franchise term.

7.10 Interconnection. To the extent technically feasible, Grantee will allow necessary interconnection with any newly constructed City and school fiber for noncommercial programming to be promoted and administered by the City as allowed under Applicable Laws and at no additional cost to the City or schools. This may be accomplished through a patch panel or other similar facility and each party will be responsible for the fiber on their respective sides of the demarcation point. Grantee reserves its right to review on a case-by-case basis the technical feasibility of the proposed interconnection. Based on this review Grantee may condition the interconnection on the reasonable reimbursement of Grantee’s marginal costs, with no markup for profit, to recoup Grantee’s construction costs only. In no event will Grantee impose any type of recurring fee for said interconnection.

7.11 Ancillary Equipment. Any ancillary equipment operated by Grantee for the benefit of PEG Access Channels on Grantee’s fiber paths or Cable System, whether referred to switchers, routers or other equipment, will be maintained by Grantee, free of charge and at no

cost to the City or schools for the life of the Franchise. Grantee is responsible for any ancillary equipment on its side of the demarcation point and the City or school is responsible for all other production/playback equipment.

7.12 Future PEG Transport.

(a) At such time that the City determines:

(i) that the City desires the capacity to allow Subscribers in the City to receive PEG programming (video or character generated) which may originate from schools, City facilities, other government facilities or other designated facilities (other than those indicated in paragraph 7.9); or

(ii) that the City desires to establish or change a location from which PEG programming is originated; or

(iii) that the City desires to upgrade the Connection to Grantee from an existing signal point of origination,

(b) the City will give Grantee written notice detailing the point of origination and the capability sought by the City. Grantee agrees to submit a cost estimate to implement the City's plan within a reasonable period of time but not later than September 1st in the year proceeding the request for any costs exceeding Twenty-five Thousand and No/100 Dollars (\$25,000). The cost estimate will be on a time and materials basis with no additional markup. After an agreement to reimburse Grantee for Grantee's out of pocket time and material costs, Grantee will implement any necessary Cable System changes within a reasonable period of time. Nothing herein prevents the City, or a private contractor retained by the City, from constructing said return fiber.

7.13 PEG Access Channel Carriage.

(a) Any and all costs associated with any modification of the PEG Access Channels or signals after the PEG Access Channels/signals leave the City's designated playback facilities, or any designated playback center authorized by the City shall be borne entirely by Grantee. Grantee shall not cause any programming to override PEG programming on any PEG Access Channel, except by oral or written permission from the City, with the exception of emergency alert signals.

(b) The City may request and Grantee shall provide an additional Access Channel when the cumulative time on all the existing PEG Access Channels combined meets the following standard: whenever one (1) of the PEG Access Channels in use during eighty percent (80%) of the weekdays, Monday through Friday, for eighty percent (80%) of the time during a consecutive three (3) hour period for six (6) weeks running, and there is a demand for use of an additional Channel for the same purpose, the Grantee has six (6) months in which to provide a new, Access Channel for the same purpose; provided that, the provision of the additional Channel or Channels does not require the Cable System to install Converters.

(c) Only to the extent mandated by Applicable Law, the VHF spectrum shall be used for one (1) of the public, education, or government specially designated PEG Access Channels.

(d) The City or its designee shall be responsible for developing, implementing, interpreting and enforcing rules for PEG Access Channel use.

(e) The Grantee shall monitor the PEG Access Channels for technical quality to ensure that they meet FCC technical standards including those applicable to the carriage of PEG Access Channels, provided however, that the Grantee is not responsible for the production quality of PEG programming productions. The City, or its designee, shall be responsible for the production and quality of all PEG access programming. Grantee shall carry all components of the standard definition of PEG Access Channel including, but not limited to, closed captioning, stereo audio and other elements associated with the programming.

7.14 Access Channel Support.

(a) No later than March 1, 2025, Grantee shall collect and remit to the City two and one-half percent (2.5%) of Grantee's Gross Revenues in support of PEG ("PEG Fee") to be used by the City as permitted under Applicable Law.

(b) The PEG Fee is not part of the Franchise Fee and instead falls within one (1) or more of the exceptions in 47 U.S.C. § 542, unless the PEG Fee may be categorized, itemized, and passed through to Subscribers as permissible, in accordance with 47 U.S.C. §542 or other Applicable Laws.

(c) Grantee shall pay the PEG Fee to the City quarterly at the same time as the payment of Franchise Fees under Section 16.1 of this Franchise. Grantee agrees that it will not offset or reduce its payment of past, present or future Franchise Fees required as a result of its obligation to remit the PEG Fee.

(d) Any PEG Fee amounts owing pursuant to this Franchise which remain unpaid more than twenty-five (25) Days after the date the payment is due shall be delinquent and shall thereafter accrue interest at twelve percent (12%) per annum or the prime lending rate published by the Wall Street Journal on the Day the payment was due plus two percent (2%), whichever is greater.

7.15 PEG Technical Quality.

(a) Grantee shall not be required to carry a PEG Access Channel in a higher quality format than that of the Channel Signal delivered to Grantee, but Grantee shall not implement a change in the method of delivery of PEG Access Channels that results in a material degradation of signal quality or impairment of viewer reception of PEG Access Channels, provided that this requirement shall not prohibit Grantee from implementing new technologies also utilized for commercial Channels carried on its Cable System. Grantee shall meet FCC signal quality standards when offering PEG Access Channels on its Cable System and shall continue to comply with closed captioning pass-through requirements. There shall be no significant deterioration in a PEG Access Channel signal from the point of origination upstream to the point of reception (hub or headend) or downstream to the Subscriber on the Cable System.

(b) Within twenty-four (24) hours of a written request from City to the Grantee identifying a technical problem with a PEG Access Channel and requesting assistance, Grantee will provide technical assistance or diagnostic services to determine whether or not a problem with a PEG signal is the result of matters for which Grantee is

responsible and if so, Grantee will take prompt corrective action. If the problem persists and there is a dispute about the cause, then the parties shall meet with engineering representation from Grantee and the City in order to determine the course of action to remedy the problem.

7.16 **Access Channel Promotion.** If a PEG Access Channel is relocated, Grantee shall notify the City and Subscribers of the relocation in a manner consistent with Grantee's other normal Channel relocation notices.

7.17 **Change in Technology.** In the event Grantee makes any change in the Cable System and related equipment and facilities or in its signal delivery technology, which requires the City to obtain new equipment in order to be compatible with such change for purposes of transport and delivery of the PEG Access Channels, Grantee shall, at its own expense and free of charge to City or its designated entities, purchase such equipment as may be necessary to facilitate the cablecasting of the PEG Access Channels in accordance with the requirements of the Franchise.

7.18 **Relocation of Grantee's Headend.** In the event Grantee relocates its headend, Grantee will be responsible for replacing or restoring the existing dedicated fiber connections at Grantee's cost so that all the functions and capacity remain available, operate reliably and satisfy all applicable technical standards and related obligations of the Franchise free of charge to the City or its designated entities.

7.19 **Regional Channel Six.** Grantee shall make available Regional Channel Six as long as it is required to do so by the State of Minnesota.

7.20 **Compliance with Minnesota Statutes Chapter 238.** In addition to the requirements contained in this Section 7 of this Franchise, Grantee and City shall comply with the PEG requirements mandated by Minn. Stat. § 238.084.

SECTION 8. REGULATORY PROVISIONS.

8.1 **Intent.** The City shall have the right to administer and regulate activities under the Franchise up to the full extent permitted by Applicable Law.

8.2 **Delegation of Authority to Regulate.** The City reserves the right to delegate its regulatory authority wholly or in part to agents of the City, including, but not limited to, an agency which may be formed to regulate several franchises in the region in a manner consistent with Applicable Laws. Any existing delegation in place at the time of the grant of this Franchise shall remain intact unless expressly modified by City.

8.3 **Areas of Administrative Authority.**

(a) In addition to any other regulatory authority granted to the City by law or franchise, the City shall have administrative authority in the following areas:

- (i) Administering and enforcing the provisions of this Franchise, including the adoption of administrative rules and regulations to carry out this responsibility;
- (ii) Coordinating the operation of PEG Access Channels;
- (iii) Formulating and recommending long-range cable communications policy for the Franchise Area;
- (iv) Disbursing and utilizing Franchise revenues paid to the City;

- (v) Administering the regulation of rates, to the extent permitted by Applicable Law; and
- (vi) All other regulatory authority permitted under Applicable Law.

(b) The City or its designee shall have continuing regulatory jurisdiction and supervision over the System and the Grantee's operations under the Franchise to the extent allowed by Applicable Law.

8.4 Regulation of Rates and Charges.

(a) Right to Regulate. The City reserves the right to regulate rates or charges for any Cable Service within the limits of Applicable Law, to enforce rate regulations prescribed by the FCC, and to establish procedures for said regulation or enforcement.

(b) Notice of Change in Rates and Charges. Throughout the term of this Franchise, Grantee shall give the City and all Subscribers within the City at least thirty (30) Days' notice of any intended modifications or additions to Subscriber rates or charges. Nothing in this subsection shall be construed to prohibit the reduction or waiving of rates or charges in conjunction with promotional campaigns for the purpose of attracting Subscribers or users.

(c) Rate Discrimination Prohibited. Within any category of Subscribers, Grantee shall not discriminate among Subscribers with regard to rates and charges made for any service based on considerations of race, color, creed, sex, marital or economic status, national origin, sexual preference, or (except as allowed by Applicable Law) neighborhood of residence, except as otherwise provided herein; and for purposes of setting rates and charges, no categorization of Subscribers shall be made by Grantee on the basis of those considerations. Nevertheless, Grantee shall be permitted to establish (1) discounted rates and charges for providing Cable Service to low-income, disabled, or low-income elderly Subscribers, (2) promotional rates, and (3) bulk rate and package discount pricing.

SECTION 9. BOND.

9.1 **Performance Bond.** Upon the Effective Date of this Franchise and at all times thereafter Grantee shall maintain with City a bond in the sum of One Hundred Thousand and No/100 Dollars (\$100,000.00) in such form and with such sureties as shall be acceptable to City, conditioned upon the faithful performance by Grantee of this Franchise and the acceptance hereof given by City and upon the further condition that in the event Grantee shall fail to comply with any law, ordinance or regulation, there shall be recoverable jointly and severally from the principal and surety of the bond, any damages or losses suffered by City as a result, including the full amount of any compensation, indemnification or cost of removal of any property of Grantee, including a reasonable allowance for attorneys' fees and costs (with interest at two percent (2%) in excess of the then prime rate), up to the full amount of the bond, and which bond shall further guarantee payment by Grantee of all claims and liens against City, or any public property, and taxes due to City, which arise by reason of the construction, operation, maintenance or use of the Cable System.

9.2 **Rights.** The rights reserved by City with respect to the bond are in addition to all other rights the City may have under this Franchise or any other law.

9.3 **Reduction of Bond Amount.** City may, in its sole discretion, reduce the amount of the bond.

SECTION 10. SECURITY FUND

10.1 **Security Fund.** If there is an uncured breach by Grantee of a material provision of this Franchise or a pattern of repeated violations of any provision(s) of this Franchise, then Grantee shall, upon written request, establish and provide to the City, as security for the faithful performance by Grantee of all of the provisions of this Franchise, a letter of credit from a financial institution satisfactory to the City in the amount of Twenty-five Thousand and No/100 Dollars (\$25,000.00). In no event shall Grantee fail to post a Twenty-five Thousand and No/100 Dollar (\$25,000.00) letter of credit within thirty (30) days receipt of a notice of franchise violation pursuant to this Section 10.1. Failure to post said letter of credit shall constitute a separate material violation of this Franchise unless the breach is cured within such thirty (30) Day period or longer period allowed under the Franchise. The letter of credit shall serve as a common security fund for the faithful performance by Grantee of all the provisions of this Franchise and compliance with all orders, permits and directions of the City and the payment by Grantee of any claim, liens, costs, expenses and taxes due the City which arise by reason of the construction, operation or maintenance of the Cable System. Interest on this deposit shall be paid to Grantee by the bank on an annual basis. The security may be terminated by the Grantee upon the resolution of the alleged noncompliance. The obligation to establish the security fund required by this paragraph is unconditional. The fund must be established in those circumstances where Grantee disputes the allegation that it is not in compliance and maintained for the duration of the dispute. If Grantee fails to establish the security fund as required, the City may take whatever action is appropriate to require the establishment of that fund and may recover its costs, reasonable attorneys' fees, and an additional penalty of Two Thousand Dollars (\$2,000) in that action.

10.2 **Withdrawal of Funds.** The security fund shall permit the City to withdraw funds upon demand (sight draft). Grantee shall not use the security fund for other purposes and shall not assign, pledge or otherwise use this security fund as security for any purpose.

10.3 **Restoration of Funds.** Within ten (10) Days after notice to it that any amount has been withdrawn by the City from the security fund pursuant to Section 10.4 of this Franchise, Grantee shall deposit a sum of money sufficient to restore such security fund to the required amount.

10.4 **Liquidated Damages.** In addition to recovery of any monies owed by Grantee to City or damages to City as a result of any acts or omissions by Grantee pursuant to the Franchise, City in its sole discretion may charge to and collect from the security fund the following liquidated damages:

(a) For failure to provide data, documents, reports or information or to cooperate with City during an application process or System review, the liquidated damage shall be Two Hundred Fifty Dollars (\$250.00) per Day for each Day, or part thereof, such failure occurs or continues.

(b) For failure to test, analyze and report on the performance of the System following a request by City, the liquidated damage shall be Two Hundred Fifty Dollars (\$250.00) per Day for each Day, or part thereof, such failure occurs or continues.

(c) Forty-five (45) Days following notice from City of a failure of Grantee to comply with construction, operation or maintenance standards, the liquidated damage shall be Five Hundred Dollars (\$500.00) per Day for each Day, or part thereof, such failure occurs or continues.

(d) For failure to provide the services Grantee has proposed, including but not limited to the implementation and the utilization of the PEG Access Channels the liquidated damage shall be Two Hundred Fifty (\$250.00) per Day for each Day, or part thereof, such failure occurs or continues.

(e) For failure to comply with any of the provisions of this Franchise for which a penalty is not otherwise specifically provided pursuant to this Paragraph 10.4, the liquidated damage shall be Two Hundred Fifty Dollars (\$250.00) per Day for each Day, or part thereof, such failure occurs or continues.

10.5 Each Violation a Separate Violation. Each violation of any provision of this Franchise shall be considered a separate violation for which separate liquidated damages can be imposed.

10.6 Maximum Draw Per Violation. Any liquidated damages for any given violation shall be imposed upon Grantee for a maximum of Twenty-five Thousand Dollars (\$25,000). If after that amount of draw from the security fund Grantee has not cured or commenced to cure the alleged breach to the satisfaction of the City, the City may pursue all other remedies.

10.7 Withdrawal of Funds to Pay Taxes. If Grantee fails to pay to the City any taxes due and unpaid; or fails to repay to the City, any damages, costs or expenses which the City shall be compelled to pay by reason of any act or default of the Grantee in connection with this Franchise; or fails, after thirty (30) Days' notice of such failure by the City to comply with any provision of the Franchise which the City reasonably determines can be remedied by an expenditure of the security, the City may then withdraw such funds from the security fund. Payments are not Franchise Fees as defined in Section 16 of this Franchise.

10.8 Procedure for Draw on Security Fund. Whenever the City finds that Grantee has allegedly violated one (1) or more terms, conditions or provisions of this Franchise, a written notice shall be given to Grantee. The written notice shall describe in reasonable detail the alleged violation so as to afford Grantee an opportunity to remedy the violation. Grantee shall have thirty (30) Days subsequent to receipt of the notice in which to correct the violation before the City may require Grantee to make payment of damages, and further to enforce payment of damages through the security fund. Grantee may, within ten (10) Days of receipt of notice, notify the City that there is a dispute as to whether a violation or failure has, in fact, occurred. Such notice by Grantee shall specify with particularity the matters disputed by Grantee and shall stay the running of the above-described time.

(a) City shall hear Grantee's dispute at the next regularly scheduled or specially scheduled Council meeting or such other date as the parties may mutually agree. Grantee shall have the right to speak and introduce evidence. The City shall determine if Grantee has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, Grantee may petition for reconsideration.

(b) If after hearing the dispute, the claim is upheld by the City, then Grantee shall have thirty (30) Days within which to remedy the violation before the City may require payment of all liquidated damages due it.

10.9 **Time for Correction of Violation.** The time for Grantee to correct any alleged violation may be extended by the City if the necessary action to collect the alleged violation is of such a nature or character as to require more than thirty (30) Days within which to perform provided Grantee commences corrective action within fifteen (15) Days and thereafter uses reasonable diligence, as determined by the City, to correct the violation.

10.10 **Grantee's Right to Pay Prior to Security Fund Draw.** Grantee shall have the opportunity to make prompt payment of any assessed liquidated damages and if Grantee fails to promptly remit payment to the City, the City may resort to a draw from the security fund in accordance with the terms of this Franchise.

10.11 **Failure to so Replenish Security Fund.** If any security fund is not so replaced, City may draw on said security fund for the whole amount thereof and hold the proceeds, without interest, and use the proceeds to pay costs incurred by City in performing and paying for any or all of the obligations, duties and responsibilities of Grantee under this Franchise that are not performed or paid for by Grantee pursuant hereto, including attorneys' fees incurred by the City in so performing and paying. The failure to so replace any security fund may also, at the option of City, be deemed a default by Grantee under this Franchise. The drawing on the security fund by City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of Grantee which are in default, shall not be a waiver or release of such default.

10.12 **Collection of Funds Not Exclusive Remedy.** The collection by City of any damages or monies from the security fund shall not affect any other right or remedy available to City, nor shall any act, or failure to act, by City pursuant to the security fund, be deemed a waiver of any right of City pursuant to this Franchise or otherwise. Notwithstanding this section, however, should the City elect to impose liquidated damages that remedy shall remain the City's exclusive remedy up to Twenty-five Thousand Dollars (\$25,000) as set forth in Section 10.6 of this Franchise.

SECTION 11. DEFAULT

11.1 **Basis for Default.** City shall give written notice of default to Grantee if City, in its sole discretion, determines that Grantee has:

- (a) Violated any material provision of this Franchise or the acceptance hereto or any rule, order, regulation or determination of the City, state or federal government, not in conflict with this Franchise; or
- (b) Attempted to evade any material provision of this Franchise or the acceptance hereof; or
- (c) Practiced any fraud or deceit upon City or Subscribers resulting in material harm; or
- (d) Made a material misrepresentation of fact in the application for or negotiation of this Franchise.

11.2 **Default Procedure.** If Grantee fails to cure such default within thirty (30) Days after the giving of such notice (or if such default is of such a character as to require more than thirty (30) Days within which to cure the same, and Grantee fails to commence to cure the same within said thirty (30) Day period and thereafter fails to use reasonable diligence, in City's sole opinion, to cure such default as soon as possible), then, and in any event, such default shall be a

substantial breach and City may elect to terminate the Franchise. The City may place the issue of revocation and termination of this Franchise before the governing body of City at a regular meeting. If City decides there is cause or reason to terminate, the following procedure shall be followed:

(a) City shall provide Grantee with a written notice of the reason or cause for proposed termination and shall allow Grantee a minimum of thirty (30) Days subsequent to receipt of the notice in which to correct the default.

(b) Grantee shall be provided with an opportunity to be heard at a public hearing prior to any decision to terminate this Franchise.

(c) If, after notice is given and an opportunity to cure, at Grantee's option, a public hearing is held, and the City determines there was a violation, breach, failure, refusal or neglect, the City may declare by resolution the Franchise revoked and of no further force and effect unless there is compliance within such period as the City may fix, such period may not be less than thirty (30) Days provided no opportunity for compliance need be granted for fraud or misrepresentation.

11.3 Failure to Enforce. Grantee shall not be relieved of any of its obligations to comply promptly with any provision of the Franchise by reason of any failure of the City to enforce prompt compliance, and City's failure to enforce shall not constitute a waiver of rights or acquiescence in Grantee's conduct.

11.4 Compliance with the Laws.

(a) If any federal or state law or regulation shall require or permit City or Grantee to perform any service or act or shall prohibit City or Grantee from performing any service or act which may be in conflict with the terms of this Franchise, then as soon as possible following knowledge thereof, either party shall notify the other of the point in conflict believed to exist between such law or regulation. Grantee and City shall conform to state laws and rules regarding cable communications not later than one (1) year after they become effective, unless otherwise stated, and shall conform to federal laws and regulations regarding cable as they become effective.

(b) If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter be binding on Grantee and City.

SECTION 12. FORECLOSURE AND RECEIVERSHIP

12.1 **Foreclosure.** Upon the foreclosure or other judicial sale of the Cable System, Grantee shall notify the City of such fact and such notification shall be treated as a notification that a change in control of Grantee has taken place, and the provisions of this Franchise governing the consent to transfer or change in ownership shall apply without regard to how such transfer or change in ownership occurred.

12.2 **Receivership.** The City shall have the right to cancel this Franchise subject to any applicable provisions of state law, including the Bankruptcy Act, one hundred twenty (120) Days after the appointment of a receiver or trustee to take over and conduct the business of Grantee, whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) Days, or unless:

(a) Within one hundred twenty (120) Days after his election or appointment, such receiver or trustee shall have fully complied with all the provisions of this Franchise and remedied all defaults thereunder; and

(b) Such receiver or trustee, within said one hundred twenty (120) Days, shall have executed an agreement, duly approved by the Court having jurisdiction in the premises, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Franchise.

SECTION 13. REPORTS AND RECORDS

13.1 **Quarterly Reports.** Within forty-five (45) Days after the end of each calendar quarter, Grantee shall submit to the City along with its Franchise Fee payment a report showing the basis for computation of the Franchise Fee and PEG Fee payments, signed by an authorized representative of Grantee in a form and substance substantially equivalent to Exhibit B attached hereto. This report shall separately indicate Grantee's Gross Revenues within the City including, but not limited to such items as listed in the definition of "Gross Revenues" at Section 1.24 of this Franchise.

13.2 **Monitoring and Compliance Reports.** Upon request, but no more than once a year, Grantee shall provide a written report of any and all FCC technical performance tests for the residential network required in FCC Rules and Regulations as now or hereinafter constituted. In addition, Grantee shall provide City with copies of reports of the semi-annual test and compliance procedures established by this Franchise no later than thirty (30) Days after the completion of each series of tests.

13.3 **Reports.** Upon request of the City and in no event later than thirty (30) Days from the date of receipt of such request, Grantee shall, free of charge, prepare and furnish to the City, at the times and in the form prescribed, such additional reports with respect to its operation, affairs, transactions, or property, as determined in City's sole discretion as may be reasonably necessary to ensure compliance with the terms of this Franchise. Upon request of Grantee, City takes into consideration Grantee's need for the continuing confidentiality as prescribed herein. Neither City nor Grantee shall unreasonably demand or withhold information requested pursuant with the terms of this Franchise.

13.4 **Communications with Regulatory Agencies.**

(a) Upon written request, Grantee shall submit to City copies of any pleading, applications, notifications, communications and documents of any kind, submitted by Grantee or its Affiliates to any federal, state or local courts, regulatory agencies and other government bodies if such documents directly relate to the operations of Grantee's Cable System within the Franchise Area. Grantee shall submit such documents to City no later than thirty (30) Days after receipt of City's request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, state, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or state agency. With respect to all other reports, documents and notifications provided to any federal, state or local regulatory agency as a routine matter in the due course of operating Grantee's Cable System within the Franchise Area, Grantee shall make such documents available to City upon City's written request.

(b) In addition, Grantee and its Affiliates shall within ten (10) Days of any communication to or from any judicial or regulatory agency regarding any alleged or actual violation of this Franchise, City regulation or other requirement relating to the System, use its best efforts to provide the City a copy of the communication, whether specifically requested by the City to do so or not.

13.5 Open Records. Grantee shall manage all of its operations in accordance with a policy of keeping its records open and accessible to the City. The City shall have the right to inspect all records of the Grantee and Affiliated Entities at any time during Normal Business Hours at a Grantee business operations site within Hennepin County, Minnesota, and upon reasonable notice to determine compliance by Grantee with its obligations under this Franchise. Grantee shall not deny the City access to Grantee's records on the basis that Grantee's records are under the control of an Affiliated Entity or a third party, rather than the Grantee. In the case of Affiliated Entities not under common control with Grantee, Grantee shall not be subject to the remedies set forth in Section 11 if such Affiliated Entity does not permit inspection of its records, and Grantee has;

(a) made available for inspection all of its records relevant to the determination of compliance; and

(b) exercised all reasonable efforts to persuade such Affiliated Entity to make such records available for inspection.

13.6 Information and Reports. Grantee shall provide a current copy of the following information upon request of the City:

(a) Cable System structure and operating information:

(i) total Cable System mileage and overall homes passed;

(ii) The number of Subscribers in the Franchise Area, including the number of Basic Cable Service Subscribers;

(iii) The channel lineup for the Franchise Area;

(iv) A schedule of all Grantee's rates and charges in the Franchise Area;

(v) A monthly Cable Services sample customer bill within the Franchise Area; and

(vi) A copy of Subscriber privacy policies and the Subscribers service agreements, including terms and conditions.

13.7 General Reports. The City shall have the right to request, in writing, information as is appropriate and reasonable to determine whether Grantee is in compliance with this Franchise. Grantee shall provide the City such information in a format as Grantee customarily prepares such report or information. Grantee shall fully cooperate with the City and shall provide such information and documents as necessary and reasonable for the City to evaluate compliance. Grantee reserves the right to object to any request made under this Section 13.7 as unnecessary, unreasonable or inappropriate under the circumstances.

13.8 Reports of Regulatory Violations. Upon written request, Grantee shall provide copies to the City of any communications to and from federal, state or local courts, regulatory agencies or other governmental bodies addressed to Grantee regarding any alleged, apparent or acknowledged violation by Grantee of any applicable federal or state law specifically related to the operation of Grantee's Cable System or Grantee's provision of Cable Services within the Franchise Area. Grantee shall submit such communications to the City no later than thirty (30) days after such request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under applicable federal, state, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or state agency or a request for confidential treatment is pending.

13.9 Public Records.

(a) Grantee acknowledges that information submitted by Grantee to the City may be open to public inspection under the Minnesota Government Data Practices Act ("MGDPA"). Grantee is responsible for becoming familiar with and understanding the provisions of the MGDPA.

(b) Grantee may identify information submitted to the City as confidential, if Grantee reasonably believes such information is qualified for an exemption recognized under the MGDPA. Grantee shall prominently mark each page, or portion thereof, for which it is claiming confidentiality as "Confidential" prior to submitting such information to the City. When submitting such information to the City, Grantee shall submit documentation to the City that specifically identifies the applicable exemption under the MGDPA and stating the reason(s) Grantee believes the information is exempt from public inspection. After reviewing the Grantee's request for confidentiality, and determining whether the identified exemptions are applicable, the City shall take reasonable steps to protect the confidential nature of any such information, consistent with the MGDPA, including only disclosing such information to employees, representatives, and agents thereof that have a need to know or in order to enforce the provisions of this Franchise.

(c) Within five (5) working days of receiving a public records request to inspect any such request, the City shall provide the Grantee with written notice of the request, including a copy of the request. Grantee shall have five (5) working days within which to provide a written response to the City, before the City may disclose any of the requested confidential information. If the City determines that it will be necessary to reveal the information, the City shall promptly notify the Grantee, and do so at least five (5) working days prior to the information being released. The City shall retain final

discretion to determine whether to release the requested information in response to any public records request, as recognized under the MGDPA.

SECTION 14. CUSTOMER SERVICE POLICIES

14.1 Response to Customers and Cooperation with City. Grantee shall promptly respond to all requests for service, repair, installation, and information from Subscribers. Grantee will follow-up with the City, in writing by email (and by phone when necessary) with a summary of the results of the complaint(s).

14.2 Definition of "Complaint." For the purposes of Section 14.1 and 14.4 only, the word "complaint" shall mean any communication to the City by a Subscriber or a Person expressing dissatisfaction with any service, performance, or lack thereof, by Grantee under the obligations of this Franchise.

14.3 Customer Service Agreement and Written Information. Grantee shall provide to Subscribers a comprehensive service agreement and information in writing for use in establishing Subscriber service. Written information shall, at a minimum, contain the following information:

- (i) The name, address, and phone number of the Person identified by the City as responsible for handling cable questions and complaints for the City. This information shall be prominently displayed, and Grantee shall submit the information to the City for review and approval as to its content and placement on Subscriber billing statements. A copy of the written information shall be provided to each Subscriber at the time of initial Connection and any subsequent reconnection.

14.4 Reporting Complaints.

(a) The requirements of this Section 14.4 shall be subject to federal law regarding Subscriber privacy. Grantee shall maintain all Subscriber data available for City inspection. Subscriber data shall include the date, name, address, telephone number of Subscriber complaints as well as the subject of the complaint, date and type of action

taken to resolve the complaint, any additional action taken by Grantee or the Subscriber. The data shall be maintained in a way that allows for simplified access of the data by the City.

(b) Subject to federal law and upon reasonable request by the City, Grantee shall, within a reasonable amount of time, provide City with such Subscriber data for its review.

14.5 Customer Service Standards.

(a) The City hereby adopts the customer service standards set forth in Part 76, §76.309 of the FCC's rules and regulations, as amended.

(c) Grantee shall comply in all respects with the customer service requirements established by the FCC and those set forth herein. To the extent that this Franchise imposes requirements greater than those established by the FCC, Grantee reserves whatever rights it may have to recover the costs associated with compliance in any manner consistent with Applicable Law.

14.6 Local Office. Grantee shall maintain one (1) or more convenient local customer service and bill payment locations either within the City or not more than four (4) miles from the City, for matters such as receiving Subscriber payments, handling billing questions, equipment replacement and customer service information. These standards shall be met no less than ninety percent (90%) of the time under Normal Operating Conditions, measured on a quarterly basis.

14.9 Communications between Grantee and Subscribers.

(a) Refunds. Refund checks will be issued promptly, but no later than either:

For this purpose, every month will be assumed to have thirty (30) Days.

14.15 **Late Fees.** Grantee shall comply with all Applicable Laws with respect to any assessment, charge, cost, fee or sum, however characterized, that Grantee imposes upon a Subscriber for late payment of a bill. 14.17 **Subscriber Bills.** Subscriber bills shall be designed in such a way as to present the information contained therein clearly and comprehensibly to Subscribers, and in a way that (A) is not misleading and (B) does not omit material information. Notwithstanding anything to the contrary in Section 14.10, above, Grantee may, in its sole discretion, consolidate costs on Subscriber bills as may otherwise be permitted by Section 622(c) of the Cable Act (47 U.S.C. §542(c)).

This information will include the phone number of the City office or Person designated to handle complaints. Additionally, Grantee shall state that complaints should be made to Grantee prior to contacting the City.

14.20 **Subscriber Privacy.**

(a) Nothing herein shall be construed inconsistent with Minn. Stat. §238.084 Subd. 1(s). Grantee shall comply with the following: No signals including signals of a Class IV Channel may be transmitted from a Subscriber terminal for purposes of monitoring individual viewing patterns or practices without the express written permission of the Subscriber. The request for permission must be contained in a separate document with a prominent statement that the Subscriber is authorizing the permission in full knowledge of its provisions. Such written permission shall be for a limited period of time, not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such permission. The permission shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

(b) No information or data obtained by monitoring transmission of a signal from a Subscriber terminal, including but not limited to lists of the names and addresses of Subscribers or any lists that identify the viewing habits of Subscribers shall be sold or otherwise made available to any party other than to Grantee or its agents for Grantee's

business use, and also to the Subscriber subject of that information, unless Grantee has received specific written permission from the Subscriber to make such data available. The request for permission must be contained in a separate document with a prominent statement that the Subscriber is authorizing the permission in full knowledge of its provisions. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such permission. The permission shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

(c) Written permission from the Subscriber shall not be required for the conducting of system wide or individually addressed electronic sweeps for the purpose of verifying System integrity or monitoring for the purpose of billing. Confidentiality of such information shall be subject to the provision set forth in subparagraph (b) of this section.

14.21 **Grantee Identification.** Grantee shall provide all customer service technicians and all other Grantee employees entering private property with appropriate picture identification so that Grantee employees may be easily identified by the property owners and Subscribers.

SECTION 15. SUBSCRIBER PRACTICES

15.1 **Subscriber Rates.** There shall be no charge for disconnection of any installation or outlet. If any Subscriber fails to pay a properly due monthly Subscriber fee, or any other properly due fee or charge, Grantee may disconnect the Subscriber's service outlet, provided, however, that such disconnection shall not be affected until after the later of: (i) forty-five (45) Days after the original due date of said delinquent fee or charge; or (ii) ten (10) Days after delivery to Subscriber of written notice of the intent to disconnect. If a Subscriber pays before expiration of the later of (i) or (ii), Grantee shall not disconnect. After disconnection, upon payment in full of the delinquent fee or charge and the payment of a reconnection charge, Grantee shall promptly reinstate the Subscriber's Cable Service.

15.2 **Refunds to Subscribers shall be made or determined in the following manner:**

(a) If Grantee fails, upon request by a Subscriber, to provide any service then being offered, Grantee shall promptly refund all deposits or advance charges paid for the service in question by said Subscriber. This provision does not alter Grantee's responsibility to Subscribers under any separate contractual agreement or relieve Grantee of any other liability.

(b) If any Subscriber terminates any monthly service because of failure of Grantee to render the service in accordance with this Franchise, Grantee shall refund to such Subscriber the proportionate share of the charges paid by the Subscriber for the services not received. This provision does not relieve Grantee of liability established in other provisions of this Franchise.

(c) If any Subscriber terminates any monthly service prior to the end of a prepaid period, a proportionate amount of any prepaid Subscriber service fee, using the number of days as a basis, shall be refunded to the Subscriber by Grantee.

SECTION 16. COMPENSATION AND FINANCIAL PROVISIONS.

16.1 Franchise Fees.

(a) During the term of the Franchise, Grantee shall pay to the City a Franchise Fee of five percent (5%) of Gross Revenues. If any such law, regulation or valid rule alters the five percent (5%) Franchise Fee ceiling enacted by the Cable Act, then the City shall have the authority to (but shall not be required to) increase the Franchise Fee, accordingly, provided such increase is for purposes not inconsistent with Applicable Law.

(b) Franchise Fees shall be paid quarterly not later than forty-five (45) Days following the end of a given quarter. In accordance with Section 16 of this Franchise, Grantee shall file with the City a Franchise Fee payment worksheet, attached as Exhibit B, signed by an authorized representative of Grantee, which identifies Gross Revenues earned by Grantee during the period for which payment is made. No acceptance of any payment shall be construed as an accord that the amount paid is, in fact, the correct amount, nor shall such acceptance of payment be construed as a release of any claim which the City may have for further or additional sums payable under the provisions of this section.

(c) Neither current nor previously paid Franchise Fees shall be subtracted from the Gross Revenue amount upon which Franchise Fees are calculated and due for any period, unless otherwise required by Applicable Law.

(d) Any Franchise Fees owing pursuant to this Franchise which remain unpaid more than thirty (30) Days after the dates specified herein shall be delinquent and shall thereafter accrue interest at twelve percent (12%) per annum or the prime lending rate published by the Wall Street Journal on the Day the payment was due plus two percent (2%), whichever is greater.

16.2 Auditing and Financial Records. Throughout the term of this Franchise, the Grantee agrees that the City, upon reasonable prior written notice of twenty (20) Days to the Grantee, may review such of the Grantee's books and records regarding the operation of the Cable System and the provision of Cable Service in the Franchise Area which are reasonably necessary to monitor and enforce Grantee's compliance with the provisions of this Franchise. Grantee shall provide such requested information as soon as possible and in no event more than thirty (30) Days unless Grantee explains that it is not feasible to meet this timeline and provides a written explanation for the delay and an estimated reasonable date for when such information will be provided. All such documents pertaining to financial matters that may be the subject of an inspection by the City shall be retained by the Grantee for a minimum period of six (6) years, pursuant to Minn. Stat. § 541.05. The Grantee shall not deny the City access to any of the Grantee's records on the basis that the Grantee's records are under the control of any parent corporation, Affiliated Entity or a third party. The City may request in writing copies of any such records or books that are reasonably necessary, and the Grantee shall provide such copies within thirty (30) Days of the receipt of such request. One (1) copy of all reports and records required under this or any other section shall be furnished to the City at the sole expense of the Grantee. If the requested books and records are too voluminous, or for security reasons cannot be copied or removed, then the Grantee may request, in writing within ten (10) Days of receipt of such request, that the City inspect them at the Grantee's local offices or at one of Grantee's offices more convenient to City or its duly authorized agent. If any books or records of the Grantee are not kept in such office and not made available in copies to the City upon written

request as set forth above, and if the City determines that an examination of such records is necessary for the enforcement of this Franchise, then all reasonable travel expenses incurred in making such examination shall be paid by the Grantee.

16.3 Review of Record Keeping Methodology. Upon request, Grantee agrees to meet with a representative of the City to review its methodology of record-keeping, financial reporting, computing Franchise Fee obligations, and other procedures the understanding of which the City deems necessary for understanding the meaning of reports and records.

16.4 Audit of Records. The City or its authorized agent may at any time and at the City's own expense conduct an independent audit of the revenues of Grantee in order to verify the accuracy of Franchise Fees or PEG Fees paid to the City under this Franchise. Grantee and each parent company of Grantee shall cooperate fully in the conduct of such audit. In the event it is determined through such audit that Grantee has underpaid Franchise Fees in an amount of five percent (5%) or more than was due the City, then Grantee shall reimburse the City for the entire cost of the audit within thirty (30) days of the completion and acceptance of the audit by the City.

16.5 Records to be reviewed. The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary for the enforcement and administration of the Franchise.

16.6 Indemnification by Grantee. Grantee shall, at its sole expense, fully indemnify, defend and hold harmless the City, and in their capacity as such, the officers and employees thereof, from and against any and all claims, suits, actions, liability and judgments for damage or otherwise except those arising wholly from negligence on the part of the City or its employees; for actual or alleged injury to persons or property, including loss of use of property due to an occurrence, whether or not such property is physically damaged or destroyed, in any way arising out of or through or alleged to arise out of or through the acts or omissions of Grantee or its officers, agents, employees, or contractors or to which Grantee's or its officers, agents, employees or contractors acts or omissions in any way contribute, and whether or not such acts or omissions were authorized or contemplated by this Franchise or Applicable Law; arising out of or alleged to arise out of any claim for damages for Grantee's invasion of the right of privacy, defamation of any Person, firm or corporation, or the violation of infringement of any copyright, trademark, trade name, service mark or patent, or of any other right of any Person, firm or corporation; arising out of or alleged to arise out of Grantee's failure to comply with the provisions of any Applicable Law. Nothing herein shall be deemed to prevent the City, its officers, or its employees from participating in the defense of any litigation by their own counsel at such parties' expense. Such participation shall not under any circumstances relieve Grantee from its duty of defense against liability or of paying any judgment entered against the City, its officers, or its employees.

16.7 Grantee Insurance. Upon the Effective Date, Grantee shall, at its sole expense take out and maintain during the term of this Franchise public liability insurance with a company licensed to do business in the State of Minnesota with a rating by A.M. Best & Co. of not less than "A-" that shall protect the Grantee, City and its officials, officers, directors, employees and agents from claims which may arise from operations under this Franchise, whether such operations be by the Grantee, its officials, officers, directors, employees and agents or any subcontractors of Grantee. This liability insurance shall include, but shall not be limited to, protection against claims arising from bodily and personal injury and damage to property, resulting from Grantee's vehicles, products and operations. The amount of insurance for single

limit coverage applying to bodily and personal injury and property damage shall not be less than Three Million Dollars (\$3,000,000). The liability policy shall include:

- (a) The policy shall provide coverage on an “occurrence” basis.
- (b) The policy shall cover personal injury as well as bodily injury.
- (c) The policy shall cover blanket contractual liability subject to the standard universal exclusions of contractual liability included in the carrier’s standard endorsement as to bodily injuries, personal injuries and property damage.
- (d) Broad form property damage liability shall be afforded.
- (e) City shall be named as an additional insured on the policy.
- (f) An endorsement shall be provided which states that the coverage is primary insurance with respect to claims arising from Grantee’s operations under this Franchise and that no other insurance maintained by the City will be called upon to contribute to a loss under this coverage.
- (g) Standard form of cross-liability shall be afforded.
- (h) An endorsement stating that the policy shall not be canceled without thirty (30) Days’ notice of such cancellation given to City.
- (i) City reserves the right to adjust the insurance limit coverage requirements of this Franchise no more than once every three (3) years. Any such adjustment by City will be no greater than the increase in the State of Minnesota Consumer Price Index (all consumers) for such three (3) year period.
- (j) Upon the Effective Date, Grantee shall submit to City a certificate documenting the required insurance, as well as any necessary properly executed endorsements. The certificate and documents evidencing insurance shall be in a form acceptable to City and shall provide satisfactory evidence that Grantee has complied with all insurance requirements. Renewal certificates shall be provided to City prior to the expiration date of any of the required policies. City will not be obligated, however, to review such endorsements or certificates or other evidence of insurance, or to advise Grantee of any deficiencies in such documents and receipt thereof shall not relieve Grantee from, nor be deemed a waiver of, City’s right to enforce the terms of Grantee’s obligations hereunder. City reserves the right to examine any policy provided for under this paragraph or to require further documentation reasonably necessary to form an opinion regarding the adequacy of Grantee’s insurance coverage.

SECTION 17. MISCELLANEOUS PROVISIONS.

17.1 **Posting and Publication.** A Summary Publication of this Ordinance shall be published at least once in the official newspaper of the City. Grantee shall assume the cost of posting and publication of the Summary as such posting and publication is required by law and such is payable upon Grantee’s filing of acceptance of this Franchise.

17.2 **Guarantee of Performance.** Grantee agrees that it enters into this Franchise voluntarily in order to secure and in consideration of the grant from the City of a ten (10) year Franchise. Performance pursuant to the terms and conditions of this Franchise is guaranteed by Grantee.

17.3 **Entire Agreement.** This Franchise contains the entire agreement between the parties, supersedes all prior agreements or proposals except as specifically set forth herein, and cannot be changed orally but only by an instrument in writing executed by the parties. This

Franchise is made pursuant to Minnesota Statutes Chapter 238 and the City Code and is intended to comply with all requirements set forth therein.

17.4 **Consent.** Wherever the consent or approval of either Grantee or the City is specifically required in this agreement, such consent or approval shall not be unreasonably withheld.

17.5 **Prior Franchise Terminated.** The cable television franchise as originally granted by Ordinance No. 2015-7 is hereby terminated.

17.6 **Franchise Acceptance.** No later than forty-five (45) Days following City Council approval of this Franchise, Grantee shall accept and return to the City an executed Franchise along with performance bonds, security funds, and evidence of insurance, all as provided in this Franchise. In the event Grantee fails to accept this Franchise, or fails to provide the required documents, this Franchise shall be null and void.

17.7 **Amendment of Franchise.** Grantee and City may agree, from time to time, to amend this Franchise. Such written amendments may be made subsequent to a review session pursuant to Section 2.6 or at any other time if City and Grantee agree that such an amendment will be in the public interest or if such an amendment is required due to changes in Applicable Laws; provided, however, nothing herein shall restrict City's exercise of its police powers.

17.8 **Franchise Renewal.** Any renewal of this Franchise shall be in accordance with Applicable Laws. The term of any renewed Franchise shall be limited to a period not to exceed fifteen (15) years.

17.9 **Notice.** All notices, reports or demands required under this Franchise, shall be deemed to be given when personally delivered during Normal Business Hours or forty-eight (48) hours after it is deposited in the United States mail, registered or certified mail, postage prepaid thereon, addressed:

Recognizing the widespread usage and acceptance of electronic forms of communication, emails and faxes will be acceptable as formal notification related to the conduct of general business amongst the parties to this contract, including but not limited to programming and price adjustment communications. Such communication should be addressed and directed to the Person of record as specified above.

Such addresses may be changed by either party upon notice to the other party given as provided in this section.

17.10 **Rights of Individuals.**

(a) Grantee shall not deny service, deny access, or otherwise discriminate against Subscribers, Channel users, or general citizens on the basis of race, color, religion, disability, national origin, age, gender or sexual preference. Grantee shall comply at all times with all other Applicable Laws, relating to nondiscrimination.

(b) Grantee shall adhere to the applicable equal employment opportunity requirements of Applicable Laws, as now written or as amended from time to time including 47 U.S.C. Section 551, Protection of Subscriber Privacy.

(c) Neither Grantee, nor any Person, agency, or entity shall, without the Subscriber's consent, tap or arrange for the tapping, of any cable, line, signal input device, or Subscriber outlet or receiver for any purpose except routine maintenance of the System, detection of unauthorized service, polling with audience participating, or audience viewing surveys to support advertising research regarding viewers where individual viewing behavior cannot be identified.

(d) Grantee shall not, without lawful court order or other applicable valid legal authority, utilize the System's interactive two-way equipment or capability for unauthorized personal surveillance of any Subscriber or general citizen.

(e) No cable line, wire, amplifier, Converter, or other piece of equipment owned by Grantee shall be installed by Grantee in the Subscriber's premises, other than in appropriate easements, without first securing any required consent. If a Subscriber requests service, permission to install upon Subscriber's property shall be presumed. Where a property owner or his or her predecessor was granted an easement including a public utility easement or a servitude to another and the servitude by its terms contemplates a use such as Grantee's intended use, Grantee shall not be required to service the written permission of the owner for the Installation of cable television equipment.

17.11 Rights Reserved to City. In addition to any rights specifically reserved to the City by this Franchise, the City reserves to itself every right and power which is required to be reserved by a provision of this Franchise.

17.12 Severability. If any provision of this Franchise is held by any Governmental Authority of competent jurisdiction, to be invalid as conflicting with any Applicable Laws now or hereafter in effect, or is held by such Governmental Authority to be modified in any way in order to conform to the requirements of any such Applicable Laws, such provision shall be considered a separate, distinct, and independent part of this Franchise, and such holding shall not affect the validity and enforceability of all other provisions hereof. In the event that such Applicable Laws are subsequently repealed, rescinded, amended or otherwise changed, so that the provision hereof which had been held invalid or modified is no longer in conflict with such laws, said provision shall thereupon return to full force and effect and shall thereafter be binding on City and Grantee, provided that City shall give Grantee thirty (30) days written notice of such change before requiring compliance with said provision or such longer period of time as may be reasonably required for Grantee to comply with such provision.

17.13 Force Majeure. In the event that either party is prevented or delayed in the performance of any of its obligations, under this Franchise by reason of acts of God, floods, fire, hurricanes, tornadoes, earthquakes, or other unavoidable casualties, insurrection, war, riot, vandalism, strikes, delays in receiving permits where it is not the fault of Grantee, public easements, sabotage, acts or omissions of the other party, or any other similar event beyond the reasonable control of that party, it shall have a reasonable time under the circumstances to

perform such obligation under this Franchise, or to procure a substitute for such obligation to the reasonable satisfaction of the other party.

17.14 **Work of Contractors and Subcontractors.** Work by contractors and subcontractors is subject to the same restrictions, limitations and conditions as if the work were performed by Grantee. Grantee shall be responsible for all work performed by its contractors and subcontractors, and others performing work on its behalf as if the work were performed by it and shall ensure that all such work is performed in compliance with this Franchise, the City Code and other Applicable Law, and shall be jointly and severally liable for all damages and correcting all damage caused by them. It is Grantee's responsibility to ensure that contractors, subcontractors or other Persons performing work on Grantee's behalf are familiar with the requirements of this Franchise, the City Code and other Applicable Laws governing the work performed by them.

17.15 **Governing Law.** This Franchise shall be deemed to be executed in the State of Minnesota, and shall be governed in all respects, including validity, interpretation and effect, and construed in accordance with, the laws of the State of Minnesota, as applicable to contracts entered into and performed entirely within the state.

17.16 **Non-enforcement by City.** Grantee shall not be relieved of its obligation to comply with any of the provisions of this Franchise by reason of any failure of the City or to enforce prompt compliance.

17.17 **Captions.** The paragraph captions and headings in this Franchise are for convenience and reference purposes only and shall not affect in any way the meaning of interpretation of this Franchise.

17.18 **Calculation of Time.** Where the performance or doing of any act, duty, matter, payment or thing is required hereunder and the period of time or duration for the performance is prescribed and fixed herein, the time shall be computed so as to exclude the first and include the last Day of the prescribed or fixed period or duration of time. When the last Day of the period falls on Saturday, Sunday or a legal holiday, that Day shall be omitted from the computation and the next business Day shall be the last day of the period.

17.19 **No Waiver.** All rights and remedies given to the City by this Franchise or retained by the City herein shall be in addition to and cumulative with any and all other rights and remedies, existing or implied, now or hereafter available to the City, at law or in equity, and such rights and remedies shall not be exclusive, but each and every right and remedy specifically given by this Franchise or otherwise existing or given may be exercised from time to time and as often and in such order as may be deemed expedient by the City and the exercise of one or more rights or remedies shall not be deemed a waiver of the right to exercise at the same time or thereafter any other right or remedy.

17.20 **Grantee Acknowledgment of Validity of Franchise.** Grantee acknowledges that it has had an opportunity to review the terms and conditions of this Franchise and that under current law Grantee believes that said terms and conditions are not unreasonable or arbitrary, and that Grantee believes the City has the power to make the terms and conditions contained in this Franchise.

17.21 **Survival of Terms.** Upon the termination or forfeiture of the Franchise, Grantee shall no longer have the right to occupy the Streets for the purpose of providing Cable Service. However, Grantee's obligations to the City (other than the obligation to provide service to Subscribers) shall survive according to their terms.

17.22 **Competitive Equity.**

(a) The City reserves the right to grant additional franchises or similar authorizations to provide Cable Services or Video Programming services via Cable Systems or other Wireline MVPDs. The City intends to treat Wireline MVPDs in a nondiscriminatory manner to the extent permissible under Applicable Law. If, following the Effective Date of this Franchise, the City grants such an additional franchise or authorization to a Wireline MVPD and Grantee believes the City has done so on terms materially more favorable than the obligations under this Franchise, then the provisions of this Section 17.22 will apply.

(b) As part of this Franchise, the City and Grantee have mutually agreed upon the following terms as a condition of granting the Franchise, which terms may place the Grantee at a significant competitive disadvantage if not required of a Wireline MVPD: the obligation to pay to the City a Franchise Fee, Gross Revenues as provided for and defined in this Franchise, and the obligation to comply with the requirements in this Franchise regarding PEG funding, PEG Channels, security instruments, audits, remedies, and customer service obligations (hereinafter "Material Obligations"). The City and Grantee further agree that this provision shall not require a word for word identical franchise or authorization for competitive equity so long as the regulatory and financial burdens on each entity are materially equivalent.

(c) Within one (1) year of the adoption of a Wireline MVPD franchise or similar authorization, Grantee must notify the City in writing of the Material Obligations in this Franchise that Grantee believes exceed the Material Obligations of the wireline competitor's franchise or similar authorization. The City and Grantee agree that they will use best efforts in good faith to negotiate Grantee's proposed Franchise modifications, and that such negotiation will proceed and conclude within a ninety (90) Day time period, unless that time period is reduced or extended by mutual agreement of the parties. If the City and Grantee reach agreement on the Franchise modifications pursuant to such negotiations, then the City shall amend this Franchise to include the modifications. If the City and Grantee fail to reach agreement in such negotiations, Grantee may, at its option, elect to replace this Franchise by opting into the franchise or other similar lawful authorization that the City grants to another Wireline MVPD (with the understanding that Grantee may use its current system design and technology infrastructure to meet any requirements of the new franchise), so as to ensure that the regulatory and financial burdens on each entity are equivalent. If Grantee so elects and following the ninety (90) Day negotiation time period set forth in this subparagraph (c), the City shall immediately commence proceedings to replace this Franchise with the franchise issued to the other Wireline MVPD. Notwithstanding anything contained in this section to the contrary, the City shall not be obligated to amend or replace this Franchise unless the new Wireline MVPD makes Cable Services or similar downstream Video programming service available for purchase by Subscribers or customers under its franchise agreement with or similar authorization from the City.

(d) In the event the City disputes that the Material Obligations are different, Grantee may bring an action in federal or state court for a determination as to whether the Material Obligations are different and as to what franchise amendments would be necessary to remedy the disparity. Alternatively, Grantee may notify the City that it elects to immediately commence the renewal process under 47 U.S.C. § 546 and to have the remaining term of this Franchise shortened to not more than thirty (30) months.

(e) Nothing in this Section 17.22 is intended to alter the rights or obligations of either party under Applicable Law, and it shall only apply to the extent permitted under Applicable Law and FCC orders. In no event will the City be required to refund or to offset against future amounts due the value of benefits already received.

(f) To the extent the City has legal authority to mandate a Cable Service franchise or similar authorization to a wireless provider of Cable Service, the competitive equity rights provided by this section shall apply with respect to Material Obligations imposed in such franchise or other similar agreement. In the event of a dispute regarding the City's legal authority, Grantee shall have the burden to demonstrate that such authority exists or does not exist.

17.23 FCC Preemption.

(a) At any time after this Franchise is approved by the City Council, the Grantee may, if Grantee is legally permitted by Applicable Law, provide the City with a written list of "in-kind cable-related contributions" (as that term is defined by the FCC in the Section 621 Order) that the Franchise requires Grantee to provide (including but not limited to the Complimentary Service requirements in Section 6.8) and the marginal cost(s) associated with the provision of the in-kind cable-related contributions. Within one hundred and twenty (120) days of receiving the aforementioned list, the City will notify the Grantee whether, with respect to each identified in-kind cable-related contribution, the Grantee is relieved, or temporarily relieved, of its obligations or is required to comply, subject either to the Grantee taking an offset to the Franchise Fee payments payable under Section 16.1 as may be permitted by the Section 621 Order or to the Grantee and the City agreeing to a separately negotiated charge payable by the City to the Grantee.

(b) In the event the Section 621 Order is stayed or overturned in whole or in part by action of the FCC, the City and the Grantee will meet promptly to discuss what impact such action has on the provision of the in-kind cable-related contributions to which this section applies. It is the intent of the parties that the City shall be treated by the Grantee in a reasonably comparable manner as other jurisdictions within the Twin Cities Region with respect to any offsets or charges imposed by Grantee for the provision of Complimentary Service. Nothing herein waives the City's right to enforce Grantee's compliance with all lawful obligations contained in this Franchise.

Treatment of Negotiated Provisions. For the term of this Franchise any costs incurred by Grantee pursuant to Sections 7.2(c), 7.4, 7.5(c), 7.9, 7.10, 7.11, 7.12, 7.13 (a) and (e), 7.14, 7.15(b), 7.16, 7.17, 7.18, 7.19, 13.1, 13.2, and 13.3, shall be treated by Grantee as Grantee's business expense and not a Franchise Fee under Sections 1.25 and 16.1 of this Franchise or as a PEG Fee under Section 7.14 of this Franchise. Grantee reserves any rights it may have to recover from Subscribers, as a separate line item from the PEG Fee in Section 7.14 of this Franchise, any PEG capital costs set forth in Section 7, as may be permitted by Applicable Law as of the Effective Date.

ACCEPTED: This Franchise is accepted, and we agree to be bound by its terms and conditions.
