------------------------------	----------

On 01/23/2025 at approximately 1139 hours, Bloomington Police Dispatch received a call from a witness (Haeg, Joshua Michael DOB: 05/15/1978) stating a black Volvo was swerving on the roadway after striking signs and a light pole, Haeg was following the vehicle. Haeg updated BPD Dispatch that the vehicle was traveling West on Old Shakopee Road (OSR) just passing Logan avenue south. Officers got behind the black Volvo while it was West OSR at Penn Avenue South. The black Volvo did not have license plates, and there was damage to the driver side front and rear of the vehicle (plastic bumpers hanging from the vehicle). The Volvo pulled over at OSR and Beard Avenue South. The driver was drooling from the mouth and confused when asked simple questions, Allina paramedics were requested. The driver was not able to complete testing including HGN or a PBT. Officers advised that the vehicle had struck two signs and a light pole near 95th Street West and Lyndale avenue. The light pole that was struck and knocked down was on the West side of the roadway to the Northeast of Freeway Ford. The driver was identified by his MN DL as CHUCKA DANIEL ONUIGBO DOB: 06/02/1962. Allina arrived and tested Onuigbo's blood sugar with a glucometer and it had the reading of "high" (Allina medics advised that his blood sugar had to be above 500 milligrams per deciliter, meaning it was a medical emergency to get him to the hospital). Allina medics transported Onuigbo to the hospital (run# 252568662). The black Volvo's VIN# YV4CZ9823711374651 (2007 blue Volvo XC90) was ran and shown to belong to WELLS FARGO AUTO FINANCE INC, with original MN plates:NAN340. Onuigbo was unable to show officers insurance information due to his medical condition. Inside of the XC90, on the passenger seat was a large amount of vehicle titles (Onuigbo stated he owned a dealership). I took photographs of Onuigbo's vehicle and uploaded them to Axon Evidence. Officers took photographs of a no turn on red sign and a railroad crossing sign that were broken and lying on the ground in the median at Lyndale avenue South and 95th street West. There was a damaged light pole that was lying on the ground on the West side of Lyndale avenue South in the grass just Northeast of the Freeway Ford dealership, photographs of the damaged light pole were uploaded to Axon Evidence. The XC90 was parked on Chowen Avenue South North of OSR. Onuigbo was sent with keys and his wallet to the hospital. There were no other vehicles involved or other damage seen in the area.
