Property Damage Information:

Property Owner Name ZUCCO, WILLIAM	Property Description MAILBOX	Property Type PRIVATE	DOB 8/19/1945	Sex M
---------------------------------------	---------------------------------	--------------------------	------------------	----------

On January 7, 2024, at approximately 1930 hours, Vehicle 1, a 2006 black Jeep Commander, was traveling southbound Wildwood. IT failed to maintain the lane and impacted the mailbox at 10348 Wildwood Road, belonging to William Zucco. The mailbox was destroyed and shattered along the victim's driveway.

Surveillance footage from 5608 W 104th Street at approximately 1930 hours shows a black Jeep Commander stopping in front of the residence. One solo male, approximately in his 40s, exited the Jeep. The male appeared to be inspecting the damage and put some parts, possibly a fender flare, in the rear of his vehicle. As of 1/7/2025, at 2140 hours, the male driver failed to notify the victim of the police of the incident.

Officers learned that the person who recorded the surveillance footage was longtime friends with the suspect and was over that day. The reporting citizen told the officer his friend told him he "fell asleep" and hit the mailbox.

Officers attempted contact at the suspect's address, 9036 Emerson Ave S. A black Jeep Commander with matching front end damage and a missing front passenger fender flare was parked in the driveway.

Looking through the Jeep's rear window, I saw a plastic automobile part inside that looked like a front fender flare.

Officers attempted contact at the front door. After knocking several times, no one answered the door.

Once Chief's towing arrived on the scene, Thomas exited the house, provided insurance information, and admitted to hitting the mailbox due to being tired. The vehicle was not towed because insurance was provided. On scene, Thomas was issued a citation for failing to notify the owner.
