**School-Based Substance Use Prevention and Education Services:
Opioid Remediation RFP**

PROJECT 25-11

DUE DATE: 11:00 AM, THURSDAY, MAY 15, 2025

The City of Bloomington (the “City”) is seeking proposals for school-based youth substance use prevention programs serving the cities of Bloomington, Edina, and Richfield (BER). These programs must align with BPH’s mission to promote, protect, and improve the health of all. These programs should educate and empower students, families, and staff to address Opioid Use Disorder (OUD) and co-occurring mental health conditions. Successful programs will foster peer support, promote informed decision-making, encourage long-term recovery, and connect youth and families to community resources. Additionally, programs should also aim to reduce the impact of Adverse Childhood Experiences (ACEs) and strengthen protective factors to lower substance use risks and support overall well-being.
