East of TH 77, South of I-494
Bloomington/Hennepin County
Control Section 2785

Dear Ms. Farnham:

Thank you for providing the opportunity for MnDOT to review the update to the Airport Southside AUAR. Please note that MnDOT's review of this AUAR does not constitute approval of a regional traffic analysis and is not a specific approval for access or new roadway improvements. As plans are refined, especially plans impacting interstate access, we would like the opportunity to meet with our partners and to review the updated information.

MnDOT's staff has reviewed the document and at this time has no additional comments. Please note the previously submitted on December 10, 2001; April 23, 2002; November 23, 2009; and the Technical Review Memorandum dated December 12, 2001.

Review Submittal Options:

As a reminder, please address all initial future correspondence for development activity such as plats and site plans. MnDOT's goal is to complete the review of plans within 30 days. Submittals sent in electronically can usually be turned around faster. There are four submittal options.

1. One (1) electronic pdf version of the plans. MnDOT can accept the plans via e-mail at metrodevreviews.dot@state.mn.us provided that each separate e-mail is less than 20 megabytes.
2. Three (3) sets of full size plans. Although submitting seven sets of full size plans will expedite the review process. Plans can be sent to:

MnDOT – Metro District Planning Section
Development Reviews Coordinator
1500 West County Road B-2
Roseville, MN 55113

3. One (1) compact disk.
4. Plans can also be submitted to MnDOT's External FTP Site. Please send files to: <ftp://ftp2.dot.state.mn.us/pub/incoming/MetroWatersEdge/Planning> Internet Explorer doesn't work using ftp so please use an FTP Client or your Windows Explorer (My Computer). Also, please send a note to metrodevreviews.dot@state.mn.us indicating that the plans have been submitted on the FTP site.

If you have any questions concerning this review contact me at 651-234-7789.

Sincerely,

Molly McCartney
Senior Transportation Planner
