

# Emergency Skills Training

**CERT** promotes a partnership between emergency services and the people they serve. **CERT** members use skills they learn through this training to help save and sustain lives in their neighborhood during a disaster until professional responders arrive. The **CERT** program encourages its members to help their families, neighbors and work sites prepare for emergencies.

## Cultural Services Unit

**CERT** is seeking multicultural community members who are interested in supporting local emergency preparedness, response, recovery and outreach activities. Cultural Services Unit (CSU) members will gain valuable experience in the field of public health and public safety and will serve as cultural connectors for their community.
